Publication of Final Recommendations for the Community Governance Review of Beeston parish

Local Government and Public Involvement in Health Act 2007

As part of the current Community Governance Review of Beeston parish, under the terms of reference published on 25 October 2013, the Community Governance Review Committee of Cheshire West and Chester Council has made the following final recommendations:

That:

- 1) the parish of Beeston should not be abolished;
- 2) the name of the parish of Beeston should not be altered;
- 3) the parish should continue to have a parish council;
- 4) no changes be made to the electoral arrangements that apply to the parish council; and
- 5) the community governance arrangements for Beeston parish be reviewed in advance of the local elections scheduled to take place in 2019.

Reasons for the recommendation

To enable completion of the community governance review of Beeston parish in accordance with the timescales set within statutory guidance; to acknowledge that the nature of Beeston parish may change significantly as a result of proposed development based on approved outline planning permission; and to enable re-consideration of the community governance arrangements at a future date in the light of this development.
