## **Publication of Final Recommendations for the Community Governance Review of Mollington parish**

### **Local Government and Public Involvement in Health Act 2007**

As part of the current Community Governance Review of Mollington parish, under the terms of reference published on 25 October 2013, the Community Governance Review Committee of Cheshire West and Chester Council has made the following final recommendations:

That:

- 1) the parish of Mollington should not be abolished;
- 2) the name of the parish of Mollington should not be altered;
- 3) the parish should continue to have a parish council; and
- 4) no changes be made to the electoral arrangements that apply to the parish council.

### **Reasons for the recommendation**

To enable completion of the community governance review of Mollington parish in accordance with the timescales set within statutory guidance and in line with local preference. To endorse that current community governance arrangements are effective.

The current total electorate for the area is 544 based on the Register of Electors in force from 17 February 2014. This is not expected to increase over the next five years. The current size of Mollington Parish Council is comparable with Councils representing a similar electorate where no grouping arrangement exists.
