

Cheshire West & Chester Council

Publication of final recommendations for the Community Governance reviews of Allostock parish

Local Government and Public Involvement in Health Act 2007

As part of the current Community Governance Review of Allostock parish, under the terms of reference published on 31 January 2014, the Community Governance Review Committee of Cheshire West and Chester Council has made the following final recommendations to be subject to a further final period of consultation prior to being agreed by Council:

That:

- 1) the parish of Allostock should not be abolished and that its area should not be altered;
- 2) the name of the parish of Allostock should not be altered;
- 3) the parish should continue to have a parish council;
- 4) no changes be made to the electoral arrangements that apply to the parish council; and
- 5) the community governance arrangements for Allostock parish be revisited under a new community governance review in advance of the local elections scheduled to take place in 2019.

Reasons for the recommendation

To enable completion of the community governance review of Allostock parish in accordance with the timescales set within statutory guidance; and to enable a more thorough consideration of the options relating to the future community governance of Allostock parish, particularly in the light of its proximity to and possible affiliation with parishes in Cheshire East borough, at a future date.

Next steps

All residents and any other persons or organisations wishing to make representations on the draft recommendations may do so in writing to the Partnerships Team, Cheshire West and Chester Council, Goldsmith House, Hamilton Place, Chester, CH1 1SE. Alternatively, representations may be submitted by email to partnershipsandareaworking@cheshirewestandchester.gov.uk quoting 'Community Governance Review – Allostock' in the subject field.

The deadline for receipt of comments is midnight on 28 September 2014.

Date of Publication: 12 September 2014
