Publication of final recommendations for the Community Governance Review of Great Budworth parish

Local Government and Public Involvement in Health Act 2007

As part of the current Community Governance Review of Great Budworth parish, under the terms of reference published on 31 January 2014, the Community Governance Review Committee of Cheshire West and Chester Council has made the following final recommendations to be subject to a further final period of consultation prior to being agreed by Council:

That:

- 1) the parish of Great Budworth should not be abolished and that its area should not be altered;
- 2) the name of the parish of Great Budworth should not be altered;
- 3) the parish should continue to have a parish council; and
- 4) no changes be made to the electoral arrangements that apply to the parish council.

Reasons for the recommendation

To enable completion of the community governance review of Great Budworth parish in accordance with the timescales set within statutory guidance and in line with local preference; and to endorse that the current community governance arrangements are effective.

The current total electorate for the area is 294 based on the Register of Electors in force from 7 May 2014. This is not forecast to change significantly over the next five years as a result of planned development. The current size of Great Budworth Parish Council is comparable with other Councils representing a similar electorate.
