Guidance Notes

This report is for the confidential use of the Licensing Authority. Medical Practitioners are asked to complete the form in full and return it to the applicant. Please note that the form must be signed by you and endorsed with your practice stamp. Any fee charged upon examination or as a result of any further enquiry is payable by the applicant.

Any person granted a dual Private Hire and Hackney Carriage driver's licence is in a position whereby they are responsible for the safety of the travelling public. It is therefore extremely important that Medical Practitioners consider very seriously whether or not the applicant has any medical issue that could result in them not meeting Group 2 of the UK medical standards for driver licensing.

All drivers are expected to transport and assist with wheelchairs, assistance dogs and luggage. Please ensure you have considered all these potential scenarios before / when completing this form.
