QC3 -	252	Churton	Farndon	Eddisbury	Farndon War Memorial Hall, Church Lane, Farndon, Chester, CH3 6QD	In support of Farndon War Memorial Hall continued use as a polling station under the 2023 polling station scheme.	**Comments received from local ward councillor: Councillor Waddelove** Requested that Churton should have a standalone polling station 1. It has a village hall which is used for Parish Council meetings currently and could easily be used as a polling station on election day. 2.Voters in Churton currently have to travel the 1.5-mile distance to Farndon, to cast a vote in the Farndon Memorial Hall. This is not accessible to voters as it almost automatically requires residents to jump in a car – which not all residents have access to.	Following receipt of comments from Councillor Farndon, an exercise was undertaken to access the suitability of Churton as a polling station. This exercise included using comparable data for similar sized polling station and arrangements in place. In the majority of the rural areas in Cheshire West and Chester, electors will have to travel more than 1.5 miles to their local polling station. It should be noted that this polling district has been served by Farndon War Memorial Hall for over 10 years.

							3.We ought to be committed to making it as easy as possible to vote in elections, to aid the democratic process. 4.Councillor Waddelove believes the 248 voters in the Churton Parish should be able to vote within their own Parish, within easy walking distance for all who live there.	Therefore, a balanced approach on accessibility, suitability and cost needs to be met. It is therefore proposed that Farndon War Memorial Hall, Church Lane, Farndon, Chester, CH3 6QD be adopted under the 2023 polling station scheme. **Farndon War Memorial Hall, Church Lane, Farndon, Chester, CH3 6QD**
