

Residential Park rules lamb cottage Caravan Park

Preface

In these rules:

- “Occupier” means anyone who occupies a park home, whether under agreement to which the mobile home act 1983 applies or under a tenancy or any other agreement.
- “you” and “your” refers to the homeowner or other occupier of a park home
- “We” and “our” refers to the park owners.

The following rules are in place to ensure acceptable standards are maintained on the park, which will be of general benefit to occupiers, and to promote and maintain community cohesion. These rules form part of the agreement by which you occupy your pitch in accordance with the mobile homes act 1983, as amended.

The rules are taken from the model standards recommended by the British holiday & home parks association, of which we are members, and are designed to ensure that all park home resident’s may live peacefully in unspoilt surroundings and have not been compiled to place unnecessary restrictions on residents. We are sure that, provided the rules are accepted in the right spirit, our park will continue to be a happy community.

None of these rules is to have retrospective effect. Accordingly:

- They are to apply only from the date on which they take effect and
- No occupier who is in occupation on that date will be treated as being in breach due to circumstances which were in existence on that date and which would not have been a breach of the rules in existence before that date.
