

Cheshire West & Chester Council

Cheshire West and Chester Commercial Property

Development land at
Dutton Green
Stanlow
CH2 4SA

Description

The site measures approximately 1.5 acres / 0.6 hectares, but is capable to sub-division.

The purchaser is to undertake all their own ground investigations to satisfy themselves of the suitability of the ground conditions. The Council will require that all interested parties gain consent prior to taking any access to the site, and that reinstatement is completed following any investigations.

Services

It is understood that all main services are available to the site (subject to demand). You should make your own enquiries regarding services at the earliest opportunity.

Planning

Interested parties are advised to make early enquiries with the planning department, regarding their development proposals. A planning application will be required. The site is allocated for employment uses, and specifically uses B1, B2 and B8.

Location

Dutton Green is situated in an accessible location, off Stanney Mill, Accessed directly from Junction 10 of the M53. The site can also be accessed from Junction 9 of the M53 via Oil Sites Road. The M53 provides direct access to Chester and the Wirral and the north west's motorway network.

This site also provides an excellent base from which to service North Wales, Cheshire, Merseyside and the wider north west regions.

Stanlow is a long established industrial and business district of Ellesmere Port.

The amenities of Cheshire Oaks, The Coliseum and Ellesmere Port town centre are all within a couple of minutes drive of the site.
