Apply online visit: www.cheshirewestandchester.gov.uk/admissions

Dear Parents and Carers

Welcome to Cheshire West and Chester Council 'Transferring to Secondary School 2020/21' booklet. As you will know, transferring to secondary school is a critical and exciting stage in your child's life. This booklet provides you with the important information you need to help you through the process of applying for a school place.

Please pay particular attention to Step 1 in the first section of this booklet before making your application. I hope that you will find it helpful and informative when deciding on your school preferences.

Please ensure you read the information in this booklet carefully before making your application. It's particularly important that you understand the timescales, how your application will be processed and how decisions about applications are made.

This booklet includes information on the requirement for the Local Authority to co-ordinate the admissions for all schools within its area which includes maintained schools and academies.

The online application facility was very successfully used last year. Of the secondary applications received for the 2019/20 academic year, 98.7% were made online in Cheshire West and Chester. The online facility is available until midnight on the closing date of 31 October 2019 at www.cheshirewestandchester.gov.uk/admissions.

Applying online offers you many benefits, in particular you will be able to view your offer online on the offer day of 2 March 2020.

You may however prefer to complete a paper application form which is included at the back of this booklet. The closing date for paper applications is 31 October 2019. It is critical that you submit your preferences by this date to ensure that your application is not disadvantaged.

If there is anything about the process that you are uncertain of when completing your application you can contact Cheshire West and Chester Council for assistance on **0300 123 7039**.

I would like to wish your child every success as they start their education at secondary school.

With regards

SECTION 1: APPLICATION PROCESS

Step 1 Important information to consider before applying

Transport

Travel arrangements need to be an important consideration when you're making your school preferences. Very few primary children qualify for travel assistance from the Council.

Since September 2015, travel assistance is only offered to pupils attending their nearest qualifying school (the school that is closest to the pupil's home address) if it is more than the statutory walking distance. This may not necessarily be your catchment school if there are nearer schools to your home address with places available.

If you choose to accept a place at a school that is not your nearest qualifying school for travel assistance purposes, you do so on the understanding that transporting your child to that school is your responsibility.

You will need to take any practical arrangements and potential travel costs into account when making your preferences to ensure that your child can get to and from school at the appropriate time each day.

Please be aware that our home to school transport policy is different from our admissions policy. School places are allocated in accordance with the oversubscription criteria (See Section 3 of this booklet) and home to school distances are calculated in a straight line.

Home to school transport distances are assessed using an in-house GIS mapping system that measures the nearest available walking route. This means the result for the nearest qualifying school for transport can be different from the nearest school for admissions purposes.

We recommend that you contact our School Transport Team, to discuss your application and to find out which school is your nearest for travel assistance purposes. Contact details can be found in Section 4 of this booklet.

Faith Schools

We do not provide travel assistance to faith schools unless it is the nearest qualifying school (the school that is closest to the pupil's home address and it is more than the statutory walking distance).

Post 16 Transport

From September 2014 the Council no longer provides travel assistance to post 16 students, however will consider individual cases where hardship can be demonstrated.

Transport for Pupils with Special Educational Needs (SEN) and/or Disabilities

Once a pupil's Education, Health and Care (EHC) Plan is finalised, the SEN Team will assess their eligibility for home to school travel assistance.

If a pupil is attending their nearest qualifying school and the distance from home to school is over the statutory walking distance, they will be eligible for travel assistance.

If a pupil is attending their nearest qualifying school, but their home to school distance is less than the statutory walking distance, then eligibility will be assessed on their individual needs.

If a pupil is not attending their nearest qualifying school, they will not be eligible for travel assistance and it will be the parent/carer's responsibility to arrange transport for their child to and from school.

For further information contact the SEN Team, details are in Section 4 of this booklet.

For further details about any aspect of Home to School Transport please contact our School Transport Team, contact details are in Section 4 of this booklet.

Please note that the Council's School Transport Policies are reviewed annually and therefore are subject to change. For further information on how our policies are administered and to see the full eligibility criteria, please see our website www.cheshirewestandchester.gov.uk/admissions.

Moving House

Residency: Applications for school places must be made using the child's place of residence as at 31 October 2019, that is the address where the child lives and wakes up between Monday to Friday. This address must be used on your application.

Parents and carers must inform us immediately of a change of address. Please note: Parents and carers can notify us of a future house move by including the details as additional information but until a house move actually takes place the new address will not be used.

We will require supporting evidence to show that the child's place of residence has changed. Documents required are:

- Proof of purchase of new property or signed tenancy agreement;

- Confirmation of the family's move from the previous property, which may include any of the following documentation: invoice from a removal company; a disconnection certificate from previous address; documents for the sale or lease of the property; legal transfer arrangements to another third party, etc;
- Council Tax or utility bill (e.g. gas, electric or water bill) confirming usage at the new property and;
- a formal document confirming the residency of your child.

Examples of evidence you could provide for this are proof of receipt of Child Benefit or Child Tax Credits at the new address, evidence of your change of address with a bank/building society/Trust Fund account in your child's name, proof of change of address with a GP, doctors surgery for your child, or a doctors/dentist/hospital appointment letter.

Please note: Parents and carers are responsible for notifying us when a house move has taken place. Your address and criteria will not be changed unless the supporting evidence is received.

Information and supporting evidence must be received by 13 December 2019 as this is the last opportunity to submit evidence before the initial allocation of school places.

Proof of residency received after 13 December 2019 cannot be used for the initial allocation of school places, however, it will be used for correspondence purposes and for later in the process i.e. for collation of waiting lists or for admission appeals, if they are necessary.

We may remove a place where it has been identified that a change of address has taken place before 13 December 2019 and it has not been declared.

If you move between 1 November 2019 and 13 December 2019 and sufficient evidence is received within this timeframe, your address will be updated and treated as on time.

If you move between 13 December 2019 and 2 March 2020, and sufficient evidence is received within this timeframe, your address will be updated as of 2 March 2020. Your new address will then be used for the collation of waiting lists or for admissions appeals if they are necessary.

If you move after 2 March 2020 your address will be updated as the date the relevant evidence is received. Your new address will then be used for the updating of waiting lists or for admissions appeals if they are necessary.

The School Admissions Code gives us the right to withdraw any school place offered on the basis of a fraudulent or intentionally misleading application. If we receive notification of a potentially fraudulent application the Council's Fraud and Investigations Team may be asked to review the information that has been provided. This may include interviewing and taking a signed statement from the applicant.

Shared Responsibility for a Child

Where parents/carers have shared responsibility for a child, the place of residency - for the purposes of the school admissions process - will be determined as the address where the child resides for the majority of the week. That is where the child wakes up from Monday to Friday.

Only one application can be considered for each child and we would expect that in most cases parents/carers will take the above residency requirement into account, agree on their preferences and submit one application.

In the event of two applications being received for a child with shared residency we will then only consider the application from the parent/carer with whom the child resides the majority of the time. That is unless a copy of a Court order is provided with the application which contains a specific direction regarding the child's education.

If the child resides with two parents/carers equally and both submit applications, then neither will be considered and the parents/carers will be asked to agree a single application between themselves.

Any supporting documentation must be provided by 13 December 2019 to enable the Local Authority to determine before the allocation of school places begins.

Where a parent who is not the applicant wishes to know where their child/ren has been allocated a school place, in the first instance the parent should contact the applicant for information. The authority cannot release this information unless legal proof is received that allows the authority to do so.

Making an Informed Decision

Before expressing a preference for a school place it is important to make a realistic assessment of your child's chance of gaining a place at your preferred school(s).

The information in this booklet is intended to help you understand the arrangements for the admission of children into schools in England. It will explain your rights and responsibilities and will answer many of your questions.

Section 2 of this booklet provides detailed information on the individual schools in Cheshire West and Chester. This section highlights the number of applications received and places allocated for September 2019, including the lowest criteria and furthest distance allocated. This may assist you in assessing your chances of obtaining a place at your preferred school.

As the pattern of parental preference can change from year to year, this is only an indication and does not guarantee admission to any particular school.

Please refer to Section 3 of this booklet for information on how applications are prioritised for each school.

Does the law say I can choose the school my child attends?

The law does not give you the right to choose a school for your child. However, it does allow you to make a preference as to which school you would like your child to attend and we must try to meet that preference. Preferences will be met unless more applications are received than there are places available. Where that is the case, the relevant oversubscription criteria will be applied to all preferences. Places are then allocated in strict criteria order, in accordance with the relevant Admission Arrangements. Section 3 outlines the Admission Arrangements - including oversubscription criteria - for all Cheshire West and Chester schools. Please note: Not all oversubscription criteria are the same so it's important to read the criteria for each school you are considering making a preference for.

Equal Preferences

All preferences will be considered on an "equal preference" basis. This means that all your preferences will initially be considered without reference to your preference ranking.

If you could potentially be offered a place at more than one of your preferences (i.e. because a preferred school is undersubscribed or because you meet a high enough criteria for an oversubscribed school) the School place you will be offered will be the school which you ranked the highest on your application form.

Published Admission Numbers

Admission Authorities (the Council for community and voluntary controlled schools and the governing bodies of voluntary aided schools, free schools and academies) have to determine Published Admission Numbers (PANs) the PAN is used to calculate whether any year group within the school is full or has places available.

The determined PANs for each secondary school are listed in this booklet. The PAN is the maximum number of places that will be allocated to the Year 7 class for September.

However, The Schools Admissions Code, December 2014, allows Admission Authorities to admit above PAN where it will not adversely affect the school now or in the future.

The Admission Authority must provide sufficient notice to the Council of any decision to admit above PAN, This is so that we can deliver our co-ordination responsibilities effectively and ensure that, as far as it is practical, every parent living in Cheshire West and Chester who has applied for a school place receives a single offer on the same day. Admitting over PAN does not mean there will be permanent increase to the PAN.

What happens if there are more applications for a school than there are places available?

The published oversubscription criteria for the school will be applied to each application to determine who will be offered the places. If we can offer you a place at more than one of your preferred schools, we will make you a single offer which will be for the school that you ranked the highest. If you are a Cheshire West and Chester resident and we are unable to offer you any of your preferences, we will allocate you a place at the nearest Cheshire West and Chester school which has places available. This will not affect your right of appeal. If you are not a Cheshire West and Chester resident then we will not allocate you a place and you should discuss this with your own Local Authority.

I have only one school that I want to name as my preference. Is my first preference more likely to be met if I do not give a second and third preference?

No and you are potentially disadvantaging yourself from receiving a school offer close to your home. We strongly advise that you use all three preferences in priority order for the schools you wish your child to attend. If you only state one school preference and we are unable to offer you a place at that school, we will then have to offer you a place at the nearest school with a place available (Cheshire West and Chester residents only). If you state more preferences and your highest (first) preference is unsuccessful you may then be offered a place at your second or third preference. If you do not use all your preferences and your local schools are filled by those who have expressed a preference then you may be allocated a place at a school some distance away.

Please Note: If you name the same school more than once on the application form this will not increase your chances of being successful. This is the same as only making one preference and you may be disadvantaging yourself.

Step 2: Applying for a School Place

As required by law, Cheshire West and Chester Council makes arrangements for parents and carers to express their preference for the school where they wish their child to be educated and an opportunity to give reasons for their preference before any places are offered. The co-ordinated admissions process provides a way for ensuring that as far as it is practical, every parent living in an English local authority area receives a single offer of a school place on the same day.

All English local authorities are required to provide a common application form (CAF), which allows for at least three school preferences, for parents and carers resident within an authority. All school preferences must be included on the home authority's form.

If you are resident in Cheshire West and Chester Council and are looking to apply for a school either within the Authority or in another English Authority you must apply to Cheshire West and Chester Council. If you are not a Cheshire West and Chester resident then you should apply via your own local authority, however if you are resident in Wales, Scotland, Ireland or moving from abroad you can apply direct to Cheshire West and Chester.

- You will be asked to provide some personal information (such as name, address) in order to process your application. The information you provide will be held securely in accordance with the General Data Protection Regulation. Where required, your data will be forwarded to schools, other local authorities and relevant Council departments to consider and/or verify the information you provide;
- You can express up to three preferences for any English Authority School/s;
- You cannot express a preference for a school in Wales, Scotland, Ireland or abroad. Please contact the relevant authority;
- In addition, you cannot apply for a place at an Independent (Private) School. Please contact the school directly;
- If you reside in another English authority, you will need to apply directly to your home authority, even if the school you wish to apply for is in Cheshire West and Chester;

- The address stated on your application must be the address the child resides at the time of application and not a future address. Please see page 5 on further information on moving house;
- We will only discuss details of the application with the applicant unless an additional contact is named on the application.

If you are resident in Wales, Scotland, Ireland or abroad and wish to apply for a school in Cheshire West and Chester you can apply directly to Cheshire West and Chester Council.

If you are resident in another English Authority you must apply via your home authority even if your preference is for a Cheshire West and Chester School.

Applications received for the admission of pupils who are not resident in Cheshire West and Chester are always considered on an equal basis.

Applications for admission to Cheshire West and Chester schools, and any appeals, are considered in relation to the availability of places in the child's chronological age group. Applications should be made in the normal way however, if parents/carers wish to move their child out of their chronological age group (i.e. deferred entry/early transfer) they should apply for a place as normal but accompany their application with their request. The admission authority of the school/academy will then review your request and you will be informed in writing if entry into a different chronological year group has been agreed. Please note that almost all children in Cheshire West and Chester are educated within their correct chronological year group in accordance with government guidance.

How do I apply for my child's school place?

The Authority will only discuss details and the outcome of the application with the applicant. Any enquiries received from someone who is not the applicant will need to obtain written consent from the applicant for the authority to release any information.

The Council invites you to submit three preferences on your application. There are two ways to make your application. These are:

- Online application
- Paper application

Online Applications

Benefits to Online Application

For the 2019/20 admissions round, **98.7%** of secondary applications received by Cheshire West and Chester Council were made online. There are many benefits to making an on line application including;

- Applicants can view their offer on line from 12.30am on the published offer day (rather than waiting for the offer letter to be received in the post);
- It is quick and easy;
- You can apply from home 24 hours a day, 7 days a week;
- There is no risk your application will be lost in the post;
- You will receive an email confirmation that your application has been received;
- You will receive your offer of a school place by email.

How do I apply on line?

Visit: **www.cheshirewestandchester.gov.uk/admissions**

- You will be required to create an account. It is important that you keep a note of your password as this will be required to access your account when viewing the outcome of your application on offer day;
- Once you have given your details you will receive an email to verify your email address which will include a link to the system to complete your online application;
- You will receive an acknowledgement email once you have pressed the submit button for your online application.

If you do not receive an acknowledgement email confirming that your preferences have been received, you must contact the authority as soon as possible as this may indicate that your application has not been received.

If you have submitted an online application, you can make changes to your application prior to the closing date. However if you return to your online account to make any changes this will automatically withdraw your previous application. You must therefore, after making any changes, press the submit button again to ensure this new application is received by the Authority. Another email should be received to confirm the receipt of this new application.

More details regarding on line applications can also be found on the website.

Paper Applications

A paper application form is included at the back of this booklet. Forms should be returned to this Authority, to the address detailed on the back of the form by the closing date of 31 October 2019.

If you require an acknowledgement that your paper application has been received you will need to send a stamped addressed envelope with your application.

Closing Date for Application

All applications must be received by the authority by 31 October 2019. Please take into consideration when posting a paper application allowing enough time for the application to reach us by the closing date. Any applications received after this date will be treated as a late application unless the local authority considers that there are good reasons for the application being late.

What if I need some assistance with my application?

Please contact the Authority on **0300 123 7039**.

Where do I get help if my child has an Education, Health and Care Plan?

The Information Advice and Support Service provides impartial information for parents, children and young people on special educational needs and disability. Staff and volunteers can offer personal contact and support; with paperwork, attend meetings in school and with the Local Authority, provide information on voluntary groups and other sources of help including the Local Offer.

The service is available to parents whose children have special educational needs, as soon as their needs are identified and at any age from birth until age 25 years.

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with an Education, Health and Care Plan that names their school. Academies will normally be subject to a similar requirement through their agreement with the Department for Education.

For contact details, please see section 4 of this booklet.

Voluntary (Church) Aided School Applications

Voluntary (Church) Aided Schools, named as preferences, may request written confirmation of religious commitment, e.g. by means of a letter of support from a church minister, or, for admission to Catholic schools, evidence of baptism. Aided schools that require the completion of a supplementary information form (SIF) are listed in Section 3 of this booklet.

How will my application be considered once submitted to the Local Authority?

Once an application is received by the Authority, the following process will be applied:

- Details on the application will be checked against any data already held by the local authority. If we find a discrepancy between the data stated on the application and the data held by the Local Authority verification may be required;
- Preferences received for Aided / Foundation Schools and Academies will be forwarded to the relevant admission authority together with any additional information for their consideration;
- Preferences for other English local authority schools will be forwarded to the relevant authority for their consideration;
- A criteria is assigned for each school preference by the relevant admission authority based on the information stated on your application. Please see Section 3 for the oversubscription criteria. Please note the policy may have changed from previous years.

What happens if I need to change my application once it has been submitted?

If your circumstances change and you need to amend the schools you have named on your application or make any other changes after you have sent the form back, providing it is before the closing date, you will need to write to the Authority stating your reasons for your change of preferences.

Any changes made after the closing date will result in your application being treated as a late application, unless the Authority accepts that there is a genuine reason for the change and providing it is made before 13 December 2019, e.g. a recent house move, which must be stated at the time of the application. The local authority will not be able to include any changes received after 13 December 2019 in the initial allocation of school places. Changes received after this date will be actioned after the 2 March 2020. For further details please see information on 'Moving House' on page 6.

Late Applications and Late Changes

Applications received after the closing date of 31 October 2019 will be considered after all on time applications, unless the Local Authority considers that there are good reasons for the application being late, which must be stated at the time of application, i.e. exceptional medical reasons preventing an earlier application. Supporting documentation must be provided. This includes any changes made after the closing date to an on time application.

Where supporting documentation has been received by 13 December 2019 and the Authority has accepted reasons stated for a late application or late change, the application will be considered as if it had been received by the closing date. There are no exceptions to this timeframe.

Application forms, supporting documentation and changes received after the 13 December 2019 will be considered after all on-time applications even where the Authority accepts that there are good reasons for the late application as the allocation of school places will have begun.

Where late applications are received for places at aided schools, free schools or academies in Cheshire West and Chester, the Local Authority will notify the admission authority that the application has been received late.

Parents and carers are responsible for notifying the Authority of the reasons for a late application. Any applications received after the closing date of 31 October 2019 that do not provide reasons for consideration by the Authority will be treated as late applications and considered after all on-time applications.

When will I know the outcome of my on time application?

Offers for secondary school places will be posted out on the **2 March 2020** to those parents/carers who have applied using a paper application.

If you apply online at **www.cheshirewestandchester.gov.uk** you will receive your offer by e-mail and you can log on to your account to view the school place offered on **2 March 2020**.

The table below gives an indication of when you can expect to hear the outcome of your application or any changes that you submit at various times throughout the coordinated admissions process. Please note that these dates are an indication only and are dependent on the volume of applications, enquiries and amendments received.

Step 3: Process following the offer of a school place

Declining Places Offered

Following receipt of the notification on 2 March 2020. If the place is declined, it is important to notify the admissions team as soon as possible in writing or by email to **admissions@cheshirewestandchester.gov.uk**, this allows the admissions team to re-allocate the place to a child on the school/academy's waiting list. The school place offered will automatically be accepted unless applicants notify the admissions team otherwise.

Cheshire West and Chester residents

If your child is resident in Cheshire West and Chester and we are unable to meet any of the preferences stated on your application form, the Council will allocate a place at the next nearest school with a place available, measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG). This will not affect your right of appeal.

Non Cheshire West and Chester residents

Where an application has been received from a parent resident in another authority and a place cannot be offered, Cheshire West and Chester Authority will **not** allocate a place.

Any applications or changes received after 1 August 2019 will be processed as soon as possible or forwarded to the schools to consider on their return

Waiting Lists

Any child refused a place at any of the preferred Cheshire West and Chester schools will automatically be placed on the school's waiting list.

After 2 March 2020, waiting lists for oversubscribed schools will start to be prepared and will consist of those children who have been refused a place at the school, those for whom an appeal form has been received together with any late applications received. Waiting lists will be held in oversubscription criteria order and not on a 'first come, first served' basis. Placing a child's name on a waiting list does not affect the statutory right of appeal.

Please note: waiting lists for all schools must be held until the end of the Autumn Term.

The Local Authority, as admissions authority for community and voluntary controlled schools will forward waiting lists to the school in September 2020 for the school to continue to maintain as part of the In Year admissions process.

Re-allocating Places

We anticipate that by the end of March, any places that have become available after offers were made on 2 March 2020 will be re-allocated to children on the waiting list together with late applications received. Waiting lists are collated in over-subscription priority order and places are allocated accordingly in line with the over-subscription criteria.

Any written requests to be placed on a school's waiting list and further late applications received after 2 March 2020 will be actioned in date order at a later stage.

If I am refused a place at my preferred school(s) can I appeal?

Yes. For community and voluntary controlled schools you can appeal against the Local Authority's decision by completing an appeal form which can be obtained from the authority's website at www.cheshirewestandchester.gov.uk/admissions or by telephoning **0300 123 7039**.

For aided, foundation schools and academies you can appeal against the decision of the governing body/trust in its role as the admission authority for the school by contacting the school directly for further information.

If your preferred school is maintained by another English authority you will need to contact the relevant authority for information on how to appeal or be placed on a waiting list.

When will the appeals be held?

Appeals for admission in September 2020 will be heard by **16 June 2020** for those received by 30 March 2020, or within 30 school days for those appeals received after 30 March 2020. Appeals for admission in September 2020 will be heard together where possible; late appeal applications will not be heard before scheduled appeals for on-time appeal applications even where this exceeds the 30 school day limit.

For further information on the appeals process, please see '**Right of Appeal**' on page 12 of this booklet.

If I decline the school place offered without making alternative arrangements, will the Local Authority find me a school for my child?

We do not advise that you decline the place offered unless you have already made alternative arrangements for the education of your child. If you choose to decline the place offered it is **your responsibility** to ensure that your child receives an education. Cheshire West and Chester Council can advise you of alternative schools with vacancies for September 2020 from the end of March onwards. Please telephone **0300 123 7039** for more information. This will not affect your legal right of appeal.

Every year we strongly encourage parents and carers to apply on time for secondary school places for their children. Applying on time gives a far greater chance of securing a place at a preferred school. Unfortunately late applications can only be considered once all on time applications are processed and so parents and carers applying late will not receive an outcome until several weeks after national offer day.

General Information

Children of Multiple Births

The School Admissions Code (December 2014) has included children of multiple births as a permitted exception. This is to ensure that, as far as possible twins, triplets or children from other multiple births can attend the same school. However, this does not give an automatic right for children from multiple births to be admitted to the same school. The Local Authority and the relevant school will consider whether such admission will be prejudicial to the efficient education and efficient use of resources at the school prior to making any decision to offer such places.

Children of UK Service Personnel

Places will be allocated in advance of the family arriving in the area for children of UK service personnel, if accompanied by an official government letter which declares a relocation date and a Unit postal address or quartering area address for considering the application against Local Authority oversubscription criteria.

Right of Appeal

Parents and carers who are not offered a place for their child at a school stated as a preference have a right of appeal to an independent appeals panel. Parents can submit an appeal in respect of each school for which admission has been refused.

A separate appeal application form will be needed for each school appeal.

Applications for admission appeals are normally considered in relation to the child's **chronological** age group, other than in **exceptional** circumstances.

Parents and carers have the right to present their case to the independent appeals panel in person and to be accompanied by a friend or adviser or to be represented.

All appeals should be sent to the admission authority for the school for which admission has been refused. For appeals for places in schools maintained by other authorities, parents/carers will be advised to contact the local authority maintaining the school.

The Council makes the necessary administrative arrangements for hearing appeals relating to community and voluntary controlled schools and some church aided and foundation schools and academies but other church aided and foundation schools and academies make their own arrangements for appeal

hearings. For further information on the arrangements for appealing against a decision made by the governing body/trust of an aided or foundation school or an academy, please contact the school directly. For appeals against decisions made by the admission authority of schools outside Cheshire West and Chester, please contact the relevant authority. The decisions of appeals panels are binding on the Local Authority and on school governing bodies.

Appeals must be submitted in writing. Application forms for appeals against decisions made by the Local Authority for community and voluntary controlled schools in Cheshire West and Chester are available on the website at **www.cheshirewestandchester.gov.uk** or alternatively on request on **0300 123 7039**.

Parents submitting appeals will be given more detailed information on the appeals arrangements. There are different arrangements for appeals relating to school places for pupils with Statements of Special Educational Needs/Education, Health and Care Plans. Please phone **0300 123 8123** for information.

Repeat Applications

Repeat appeals will not be considered within the same school year unless the parents, child's or the school's circumstances have changed significantly and materially since the original application was made.

Religious Education

In community and voluntary controlled schools religious education is given in accordance with the Cheshire West and Chester Agreed Syllabus for Religious Education. In aided schools religious education is given in accordance with the school's Trust Deed. Parents have the right to withdraw their children from religious education from any school including aided schools if they so wish and they may also withdraw their children from the school in order to receive, elsewhere, religious education of a kind not provided in the school. The Council's approval must be obtained in this latter case for such periods as are considered reasonable.

School Uniform

Headteachers, in consultation with school governors/trusts, decide whether or not there should be a school uniform. Details of uniform, where appropriate, are given in each school's prospectus which can be obtained from the school. The Council does not help parents with the cost of school uniform or physical education kit, except for pupils attending residential special schools where separate arrangements apply. All pupils are expected to conform to a reasonable standard of clothing and personal appearance and parents are asked to try to ensure that pupils attend school suitably dressed.

Free School Meals

Children are eligible for free school meals based on the level of the family income (see special rules for children in reception and years 1 & 2 where they automatically qualify – you can find further details on our website - see link below).

Pupil Premium - Where a child of any age qualifies for free school meals based on family income, the child's school receives additional Government funding called the Pupil Premium. This is to provide extra activities to help children succeed better in their education.

Because this **additional** funding is based on parents **applying** it is **vital** that parents / carers continue to make an application for free school meals, as without an application the school will not receive this extra important funding. So please help your child's school by ensuring it gets the maximum Pupil Premium funding available – all children in the school will benefit as a result.

For more information please call us on 0300 123 7021 or visit our website at www.cheshirewestandchester.gov.uk/schoolmeals.

In Year Admissions 2019/20

Applications for places in any year group other than at normal admission times must be made directly to the school / academy and not to your home local authority. Waiting lists for in year admissions will be held by community and voluntary controlled schools in criteria order and not on a first come first served basis. For information on whether aided, foundation,

studio schools and academies hold waiting lists for in year admissions, please contact the schools direct. Full details of this process is available on the website at www.cheshirewestandchester.gov.uk/admissions or by contacting the authority on **0300 123 7039**.

Looked After Children

Applications received in respect of a child who is looked after or a child who was previously looked after but ceased to be so because they were adopted or became subject to a child arrangements, or special guardianship order. Those who require admission to a school outside the normal admission round will normally be offered a place at the most appropriate school as determined by the Local Authority even if that school is full.

In Year Fair Access Protocol

The Fair Access Protocol operates outside of the normal admissions round. It is an agreement between the Local Authority and all of its schools to ensure fairness and equity so that all children, particularly the most vulnerable are offered an appropriate school place as quickly as possible. The agreement takes into account the needs of the child and the number of Fair Access admissions previously taken into each school. To ensure that no child is out of school for a long period of time or left without a school place, children who meet the Fair Access criteria may be admitted above a school's admission number.

For further information on this process please contact the Local Authority.

SECTION 2:

SCHOOLS INFORMATION

Types of schools

- (a) Non-denominational community schools
- (b) Church schools (called voluntary schools) which may be aided or controlled
- (c) Other non-denominational voluntary controlled schools
- (d) Non-denominational foundation schools
- (e) Academies
- (f) Studio schools

Church of England (CE) aided schools are either aided or controlled. Church of England aided schools are schools where the religious education provided is in conformity with the rites, practices and doctrines of the Church of England. A Church of England controlled school, like an aided school, is a Church school functioning within the partnership of the Church and the Local Authority.

Its Christian nature is an important aspect of the school's life. Its religious teaching is mainly in accordance with the Agreed Syllabus but this may, for those who wish, be supplemented by specific Church teaching. Worship at its school assemblies is linked with the worship of the Church in accordance with the provisions of its Trust Deed.

Academies and Studio Schools

Academies and Studio Schools are all-ability, state-funded schools. The funding agreement with the Department for Education requires the Academy's admissions policy and arrangements to be in accordance with, or consistent with, admissions law and the School Admissions Code.

Open Events

We would strongly advise that you visit any school/s that you are considering applying for. Please contact schools directly.

School Holiday Dates

Information on school holiday dates for the Academic Year 2020-2021, are published on the Cheshire West and Chester Council's website at www.cheshirewestandchester.gov.uk or alternatively please contact the Authority on **0300 123 7039**. **For Aided, Foundation Schools and Academies please contact the schools direct.**

Cheshire West and Chester Council consulted on adopting a standardised school year for its community and voluntary controlled schools. The Authority also encourages foundation, voluntary aided and academy schools to follow the same dates, in the interest of consistency and forward planning for parents/carers across Cheshire West and Chester. Further information is available on the Council's website.

Secondary Schools in Cheshire West and Chester

The following section provides information about secondary schools in Cheshire West and Chester, including the names and addresses, contact details, age range of pupils in the school and the number of places available for **September 2020**, (shown on the table as the **PAN** – the published admission number). The PAN refers to the number of places that can be allocated to the year 7 class for September 2020.

The detailed information about the number of preferences (applications) that were received and the number of preferences allocated (places offered) refers to **September 2019** admissions, and is shown to help you estimate what your chances of success are for a particular school before submitting your application. It is important to remember that this is only an indication and does not guarantee admission to any particular school.

How to use the information provided in the following school section.

Number of Preferences Received for September 2019

Using the table on the following pages, you will be able to see how many preferences (applications) were received for each school. These are broken down into ranking (i.e. 1st, 2nd and 3rd preference).

Places Allocated for September 2019

The second set of data headed '**Places Allocated**' refers to the outcome of the application process i.e. the number of places offered after all preferences had been considered. There is also a column showing 'Other' preferences. Where a parent/carer's preferences could not be met this column shows the number of pupils offered a place where this was the next nearest school with vacancies. This information refers to places offered on 1 March 2019 for admission in September 2019 only.

Lowest Criteria Allocated

This column refers to the criteria for admission that was used for each school for September 2019 admissions. If the column shows N/A (Not Applicable), there were no unsuccessful applicants for the school as all parents who requested a place as their highest available preference school were offered a place. For some parents, this may be their second or third preference school. If a particular criterion is listed in this column, for example, 'furthest distance' this is the lowest criterion used to allocate a place and indicates that there were unsuccessful applications.

For Aided, Foundation Schools and Academies where a criterion number is identified against the heading 'Lowest Criteria Allocated' this refers to that school's published criteria, please see section 3 of this booklet.

Furthest Distance

This is the straight line distance measurement in miles from the home address to the school and shows the furthest distance that was used to allocate a school place under the criterion shown in the previous column. Children within this criterion living further away from the school were unsuccessful with their preference.

Appeals Heard

This column shows the number of appeals that were heard for the school after March offer date and the outcome of those appeals that were upheld at the time of publication. Successful appeals result in children being admitted to the school over the published admission number (PAN). For more information on the appeals process refer to page 12 in this booklet.

How to Use the information provided in the following school section

1 First consider how many applications were received for a preferred school.

2 Compare this with how the places were offered in the 'Places allocated' column.

3 Next look at the lowest criteria allocated to see if any applications were unsuccessful.

4 If applications were unsuccessful, would your application have a lower priority for admission i.e. below the lowest criterion allocated and the distance measurement within this criterion listed alongside it?

5 If you have a lower priority for admission, you need to bear in mind that your application would have been unsuccessful based on last years parental preferences. There may therefore be a significant prospect of your application being unsuccessful. You will have a statutory right of appeal if this is the case.

As the pattern of parental preferences can change from year to year, this information only gives an indication and does not guarantee admission to any particular school.

SECTION 3: ADMISSION ARRANGEMENTS

COMMUNITY & VOLUNTARY CONTROLLED SCHOOLS

OVERSUBSCRIPTION CRITERIA

Where more applications are received than there are places available and after the admission of pupils with statements of special educational needs where the school is named in the statement, preferences for community and voluntary controlled schools, together with any supporting information, will be considered in accordance with the council's published oversubscription criteria as follows:

- 1) A 'Looked after child' or a child who was previously looked after by an English Local Authority but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- 2) A 'Looked after child' or a child who was previously looked after outside England, but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order).
- 3) Siblings – pupils with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school (in years Reception through to Year 10 and year 12) and expected to continue at the school in the following school year. (i.e. at the time of admission).

i Where the admissions team identify a discrepancy with the address stated on the application and the address held on the admissions system for the sibling, the team may verify the details with the school, therefore please ensure that the school has the correct, up to date information.

- 4) Children resident within the designated catchment zone of the school. (a).

- 5) Children not resident within a school's local catchment zone but attending a school designated as a partner school for admissions purposes, as out-of-zone pupils.

For information the community high schools and their designated partner primary schools are as follows:

Helsby High School

Alvanley Primary School
 Ashton Hayes Primary School
 Aston by Sutton Primary School
 Elton Primary School
 Frodsham CE Primary School
 Frodsham Manor House Primary School
 Frodsham Weaver Vale Primary School
 Helsby Hillside Primary School
 Horn's Mill Primary School
 Kingsley Community Primary and Nursery School
 Kingsley St John's CE Primary School
 Manley Village School
 Norley CE Aided Primary School

- 6) Pupils living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

Where a school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if a school cannot accommodate all siblings for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings (criterion 3) who live within the school's designated catchment area (criterion 4);
- Siblings (criterion 3) who do not live within the school's designated catchment area (criterion 6).

All applicants within each criterion will be put into a distance order with priority being given to those that live nearest to the school, as stated in criterion 6 above.

Notes:

(a) Catchment Areas

Children are classed as 'in area' (resident in the school's catchment area) for a secondary school under the Council's admission arrangements if they and their parents/carers are resident in the area served by the school on the closing date for applications. You can obtain information on which school serves your address by viewing 'Catchment Areas' at **www.cheshirewestandchester.gov.uk/admissions** or alternatively by contacting the Authority on **0300 123 7039**.

The law will not allow any authority to guarantee places at the catchment area school. Neither can places be reserved.

(b) Where it is identified that there are a limited number of places available and the Local Authority cannot differentiate between the applications using the nearest school criterion (criterion 6) a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats.

Where a school can accommodate some, but not all pupils qualifying for one of the preceding criteria, priority will be given to pupils having regard to the subsequent criteria.

Sixth Form Community and Voluntary Controlled Schools - Oversubscription

In the event that the number of eligible applicants exceeds the number of places available, the oversubscription criteria to be applied are:

- 1) A 'Looked After Child' or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
- 2) Children resident within the designated catchment zone of the school Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the closing date for applications.
- 3) Pupils living nearest to the school (Distance) measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

ADMISSIONS TO YEAR 12

OF SCHOOLS WITH SIXTH FORMS

Applications for admission to the sixth form of a Cheshire West and Chester school are dealt with by the school in accordance with the published admissions arrangements and not by Cheshire West and Chester Council.

Children already in the school are not required to apply formally for places in year 12 but should have reached the minimum entry requirements for admission into the sixth form. Minimum entry requirements are the same for internal and external applicants.

Schools will not interview pupils or their families for entry to year 12, although meetings may be held to provide advice on options and entry requirements for particular courses.

Sixth form minimum entry requirements

- The minimum entry requirement for admission to the sixth forms of Cheshire West and Chester community and voluntary controlled schools to study primarily at A level is five GCSEs grade 9 to 4 (or equivalent). Individual subjects may require a specific level of attainment. Further information will be provided by the school;
- Minimum entry requirements for admission onto specific vocational courses vary and a full list of requirements can be obtained from the school. Parents are advised to contact the school for further information.

Published Admission Numbers – External Candidates Only

This number relates to the admission of external candidates only. The admission numbers included in the table are based on an estimate of the minimum number of external candidates likely to be admitted, although it would be acceptable to exceed this if demand for available courses can be met.

Sixth Form Admission Appeals

Any applicant refused a place in Year 12 is entitled to make an appeal to an independent appeal panel, whether the child is already attending the school or is an external candidate.

Parents or children* refused admission to a sixth form in a Cheshire West and Chester community or voluntary controlled school will be advised to contact the Cheshire West and Chester Authority for an admission appeal application form and details on the appeals process.

To appeal against the decision refusing admission to sixth form made by an Aided, Foundation School or Academy, you will need to contact the school direct for further details on their appeals process.

Regulations have also been amended to give a corresponding right of appeal to a child who expresses a preference for a school place.

These new children's rights are **in addition** to the rights of parents to express a preference as to the school at which they wish their child to receive education.

- * The Education and Skills Act 2008 made changes to the law relating to admissions and appeals placing a new duty on admission authorities to make arrangements:
 - a) for children to express a preference as to the school at which they wish to receive sixth-form education (i.e. secondary education suitable to the requirements of pupils who are over compulsory school age); and
 - b) for children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school, to express a preference as to the school at which they wish to receive education other than school sixth-form education.

FOUNDATION SCHOOLS

OVERSUBSCRIPTION CRITERIA

Please Note:

Full details of the policies
can be viewed on the
schools websites

Supplementary Information Form (SIF)

The following Foundation schools require the completion of a Supplementary Information Form in order that additional information in support of an application is provided for consideration by the governing body as the admissions authority for the school.

You can access a copy of the forms on the Cheshire West and Chester website at www.cheshirewestandchester.gov.uk/admissions. Alternatively, please contact the school.

Please Note: Supplementary Information Forms must be completed and returned to the relevant school and not the Local Authority. You must still complete the Authority's application form for a school place, stating your preferred schools in priority order, which must be returned to the Authority at the address provided on the form.

Schools that require a SIF form to be completed in addition to an application form are as follows:

- Bishop Heber High School;
- Weaverham High School.

Bishop Heber High School

1. A 'Looked After Child' or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). 2. Children for whom there are particular medical or social reasons which, in the Governors' view, justifies admission to this school. Supporting evidence from a registered professional, such as a medical practitioner, psychologist or social worker, must be provided which sets out the particular reasons why the school is the most suitable school and the difficulties that would be caused if the child had to attend another school. A panel of Governors will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application. The Governors, if it is considered appropriate, will seek the views of the School Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received. Few applications fall within this category.
3. Siblings – students with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending Bishop Heber High School and expected to continue at the School in the following school year. 4. Children of staff (parents) who have been directly employed by the school for 2 years or longer at the closing date for applications or who have been recruited to meet a particular skills shortage. Sixth Form

All students whether they are already in the school or attend another school are required to apply formally for places in the Sixth Form and should have reached the minimum entry requirements for admission to the Sixth Form. Minimum entry requirements are the same for internal and external applicants.

The external admission number for places in Year 12 is 30. Students wishing to join Bishop Heber High School in Year 12 must, however, meet the academic criteria set for their intended courses. (A-level courses require a minimum of 5 A*-C grades at GCSE except in exceptional circumstances. Individual subjects may set a minimum requirement grade which is indicated in the Sixth Form Prospectus). In the event that the number of eligible applicants exceeds the number of places available, oversubscription criteria 1, 2, 3, 4, 6 and 7 will apply.

Bishop Heber High School will not interview students or their families for entry to Year 12, although meetings may be held to provide advice on options and entry requirements for particular courses.

Admission to Year 12

Applications for admission to the Sixth Form of a Cheshire West and Chester school are dealt with by the school in line with the relevant published admissions arrangements and not by Cheshire West and Chester Council.

A significant proportion of Year 11 students at Upton progress into Sixth Form. Priority is given to Year 11 students currently studying at Upton High School. Children already in the school are not required to apply formally for places in Year 12 but should have reached the minimum entry requirements for admission into the sixth form, where relevant. Minimum entry requirements are the same for internal and external applicants.

External applicants are welcome to apply for the Sixth Form. All applicants must be under 18 years of age on September 1st in the academic year they intend to begin their studies at Upton High School. As part of our admissions policy, references will be sought to ascertain the suitability of the applicant. All applicants will be required to provide original documents containing examination results or certificates.

Sixth Form Information evenings are held during the school year to inform potential applicants about the courses available and to offer appropriate advice and guidance. The Sixth Form prospectus, courses booklet and application form can be obtained by contacting the school or via the website.

Application forms must be received by the prescribed deadline. Late applicants will be considered, where there is availability, but places cannot be guaranteed.

Minimum entry requirements for Year 12

a) Students must achieve a minimum of 5 GCSE passes at grades 9-4, preferably including English and Mathematics. However, for those students who have not achieved 9-4 in Mathematics and/or English, we will negotiate on an individual basis for them to re-sit this course/these courses as part of their programme of study in the Year 12. We reserve the right to provide this opportunity at our discretion.

b) All applicants must provide a registration certificate demonstrating an excellent attendance record. If attendance is deemed to fall short of the expected standard, the applicant will be required to provide evidence that poor attendance has not hindered their academic progress and that there will be no further lapses in attendance as they embark upon their Sixth Form studies.

c) Internal applicants will be interviewed by a member of the Sixth Form team, in order to advise the student and ensure that they have selected the correct programme of study. References will be sought from external applicants' current or previous school to ensure the courses of study selected are appropriate in relation to the student's potential.

d) All Sixth Form students will be required to participate in enrichment opportunities and take on leadership roles within the school.

e) Students refused entry to the Sixth Form will be informed in writing. Students have the right to appeal.

Supplementary Information Form (SIF)

A number of voluntary aided (church) schools require the completion of a Supplementary Information Form in order that additional information in support of an application, particularly in relation to faith, is provided for consideration by the governing body as the admissions authority for the school.

You can access a copy of the forms on the Cheshire West and Chester website at www.cheshirewestandchester.gov.uk/admissions. Alternatively, please contact the school.

Please Note: Supplementary Information Forms must be completed and returned to the relevant school and **not** the Local Authority. You **must still** complete the Authority's application form for a school place, stating your preferred schools in priority order, which must be returned to the Authority at the address provided on the form.

Schools that require a SIF form to be completed in addition to an application form are as follows:

- Ellesmere Port Catholic High School
- Hartford Church of England High School
- St Nicholas Catholic High School

Ellesmere Port Catholic High School

1. Looked after and previously looked after children. (see note 2)
2. Catholic children who attend a feeder Catholic primary school, namely Our Lady Star of the Sea Catholic Primary School, St Bernard's RC Primary School, St Mary of the Angels Primary School and St Saviour's Catholic Primary and Nursery School (see notes 3&4)
3. Other Catholic children. (see note 3)

6. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- i. The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above. (note 7).

- ii. The children of staff will be given increased priority within each category so that the application will be placed at the top of the category in which the application is made after children in (i) above (note 8).

Notes:

1. A Statement of Special Education Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014 specifying the special educational provision required for a child.

2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order.

3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church

4. For the purposes of this admission policy, attendance at a feeder primary school includes those who were prevented from attending a feeder school due to oversubscription of Catholics and whose application to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.
5. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.

6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. Brother or sister' includes:

- 7.1 all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and

- 7.2 the child of a parent's partner where that child for whom the school place is sought lives for at least part of the week in the same family unit at the same address as the applicant.

8. This applies where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

9. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

10. Where applications in other categories, taken in order, take numbers above the admissions number, the tie-breaker to be used is that places will be offered in terms of distance from the school as notified by the LA (measured in a straight line from the centrally plotted Basic Land and Property Unit point (PLPU) of the child's home address to the PLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

Admissions to the sixth form 2020

The school operates a sixth form for a total of 200 pupils. 100 places overall will be available in year 12. While the admission number is 100, if fewer than 100 of the school's existing pupils transfer into year 12, additional external pupils will be admitted until year 12 meets its capacity of 100.

Our Sixth Form is designed to serve our school community and to be as inclusive as possible.

We welcome students of all faiths, or none. Catholic schools have become much more popular in recent years. Non-Catholic parents tell us that they appreciate the ethos and calm of our school. A growing number of non-Catholic parents appreciate the values our school upholds and have sought admission for their children.

Priority will be given in the first instance to applicants from Ellesmere Port Catholic High School who meet the entrance requirements.

When year 12 is undersubscribed all applicants meeting the minimum academic entry requirements will be admitted or permitted to progress.

Where there is a space in year 13 i.e. where there are fewer than 100 pupils in the year group, the school will admit additional pupils up to this number using the oversubscription criteria – see notes.

In the event of over-subscription, internal and external applicants meeting the entrance requirements will be placed on a waiting list using the oversubscription criteria – see notes.

A meeting will be held with applicants to discuss options and course requirements. Application packs are available from the school office and Head of Sixth Form or via the website. Applications should be submitted by 28 February 2019.

Entrance Requirements

- Applicants are required to have at least 5 passes at GCSE grade 5 and above;
- In addition to the sixth form's minimum academic entry requirements all pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. For the majority of subjects this would be a grade 6 at GCSE in that subject (or a related subject where the chosen subject is not offered at GCSE). A high grade 6 is needed for those wanting to study Maths at A-level;
- If either internal or external applicants fail to meet the minimum course requirements, they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. Course requirements are published annually in the school's prospectus and on its website;
- Entry into year 13 relies on success in the year 12 examinations. As a minimum applicants are normally expected to achieve a D grade in each of the subjects to continue to study in year 13;
- All applicants are required to have a strong work ethic and commitment to our ethos, standards and code of conduct. This will be determined from the application form and interview;
- All applicants are subject to a six week probation period and two reports will be issued during this time;
- All applicants are required to support the Catholic ethos of our community and promote the Catholic life of the school with younger pupils;
- All applicants are required to attend compulsory Religious Education classes and take part in the daily act of worship and attend assemblies and Masses.

Admissions Procedure

The application procedure for Ellesmere Port Catholic High School Sixth Form is simple. Application packs can be collected from the main school office or downloaded from the school website. The completed forms should be then returned to school by 31 August of the year of entry.

A meeting will then take place with the Head of Sixth Form to discuss the application. It is vital that you choose the courses that are right for you and your future plans. You will be informed in advance of the meeting date and times.

When you are ready to apply:

- Complete the application form ensuring that you have filled in all sections giving as much detail as you can;
- Before making any decisions about the subjects you wish to study we strongly advise students to read the course descriptions very carefully and talk to the subject leaders to find out how suited to the course you might be;
- Submit your application once completed via your form tutor;
- Be ready to discuss your reasons for applying to Ellesmere Port Catholic High School Sixth Form and your subject choices at the meeting with the Head of Sixth Form.

The closing date for applications is 31 August of the year of entry.

Late applications

Students who make late applications to the Sixth Form may still be considered, especially where there are unavoidable reasons for missing the deadline. Students must be aware however, that late applications will be subject to course restrictions where courses may be already full.

Please do not hesitate to contact the School Office if you have any queries regarding your application.

Hartford Church of England High School

Foundation Places

The governors have designated 30 places, to be offered to pupils whose parents are faithful and regular worshippers in a Christian church that is a member of Churches Together in Britain and Ireland. (See note B & C). Applicants for these places must complete the supplementary form as well as the Local Authority's common application form.

If there are more than 30 qualified applicants, places will be allocated according to the following criteria. These are stated in order of priority:

1. Looked after children and previously looked after children (see Note D);
2. Children with or special medical or social circumstances affecting the child where these needs can only be met at this school (see Note A);
3. The presence of a sibling (See note E) in the school or has attended school during the previous three years;
4. Children resident within the catchment zone of the school. Children will be classed within this category if they and their parents/carers are resident within the catchment zones of the following partner primary schools:
Antrobus St Mark's CE Primary School
Barnton Community Nursery & Primary School
Great Budworth CE (A) Primary School
Hartford Primary School
Hartford Manor Community Primary School & Nursery
Little Leigh Primary School
Lostock Gralam CE Primary School
Over St John's CE Primary School
Whitegate CE Primary School
Winnington Park Primary School and Nursery
5. Children not resident within the catchment zone of the school but attending one of the partner primary schools listed under criterion (4);
6. Children of parents who have been directly employed by the school for a period of 2 years or longer at the closing date for applications;
7. The nearness of the home to the school, measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG) In the event of a tie break, a random paper draw will be undertaken by an independent body.

It may happen that there are not enough places to admit all applicants meeting any one criterion.

In this case the governors will apply the subsequent criteria, in order of priority, to all these applicants.

If there are fewer than 30 qualified applicants for foundation places, any unfilled places will become additional open places.

Unsuccessful applicants for foundation places will be considered for any open places in the priority order as laid out below:

Open Places

The governors have designated 180 places each year as open places, to be offered to pupils who do not qualify for a foundation place but whose parents have chosen the school for the type of education it provides. Parents applying for an open place do so knowing that in this school our ethos is based on the teachings of the Church of England. Collective worship, though not mandatory, is also based on the practises of the Church of England.

If there are more than 180 applicants, places will be allocated according to the following criteria. These are stated in order of priority:

1. Looked after children and previously looked after children (See note D);
2. Children with or special medical or social circumstances affecting the child where these needs can only be met at this school (see Note A);
3. The presence of a sibling (See note E) in the school or has attended school during the previous three years;
4. Children resident within the catchment zone of the school. Children will be classed within this category if they and their parents/carers are resident within the catchment zones of the following partner primary schools:
Antrobus St Mark's CE Primary School
Barnton Community Nursery & Primary School
Great Budworth CE (A) Primary School
Hartford Primary School
Hartford Manor Community Primary School & Nursery
Little Leigh Primary School
Lostock Gralam CE Primary School
Over St John's CE Primary School
Whitegate CE Primary School
Winnington Park Primary School and Nursery
5. Children not resident within the catchment zone of the school but attending one of the partner primary schools listed under criterion (4);
6. Children of parents who have been directly employed by the school for a period of 2 years or longer at the closing date for applications;
7. The nearness of the home to the school, measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG) In the event of a tie break, a random paper draw will be undertaken by an independent body.

It may happen that there are not enough places to admit all pupils meeting any one criterion. In this case the Governors will apply the subsequent criteria, in order of priority, to all these pupils.

Unsuccessful applicants for open places will be considered for any foundation places remaining unfilled at the end of the allocation procedure. Applicants considered for these places will not be required to complete the School's Supplementary Information Form.

Notes

- a) Professional supporting evidence from eg a doctor, psychologist, social worker, is essential if admission is to be made under the criterion (ii) for special medical or social circumstances, and such evidence must set out the particular reasons why the school is question is the most suitable school and the

difficulties which would be caused if the child had to attend another school.

- b) By "faithful and regular" we mean attendance at a minimum of one service per month for at least six months prior to the closing date for applications. A signed supplementary form will be required as proof of attendance.
- c) A parent is any person who has parental responsibility or care of the child. Where admission arrangements refer to 'parent's attendance at church' it is sufficient for just one parent to attend.
- d) Children in Care (Looked after Child) or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements or special guardianship order. A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions as defined in Section 22(1) of the Children Act 1989.
- e) Sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, the child should be living in the same family unit at the same address.
- f) Should all the allocated places be filled for Foundation and Open categories before applicants are considered under criteria 7 then places will be allocated under criteria 1-6 using distance. The distance will be measured as stated in criteria 7.

4. Catechumens and members of an Eastern Christian Church (see notes 5&6)
5. Children of other Christian denominations and children of other faiths whose membership is evidenced by a minister of religion or other religious leader (see notes 7&8).
6. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order:

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above. (see note 9)
- (ii) The children of staff will be given increased priority within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 10).

Notes (these notes form part of the oversubscription criteria)

1. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014 specifying the special educational provision required for a child.
2. A 'child looked after' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.

A 'previously child looked after' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a child looked after who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a child looked after (e.g. a child looked after in the process of adoption by a Catholic family).

For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.

4. For the purposes of this admission policy, attendance at a feeder primary school includes those who were prevented from attending a feeder school due to oversubscription of Catholics and whose application

to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.

5. 'catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.
7. "children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. "children of other faiths" means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

- A religion which involves belief in more than one God, and
- A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. 'brother or sister' includes:
 - (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) that child for whom the school place is sought lives for at least part of the week in the same family unit at the same address as the applicant.

10. This applies where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
11. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.
12. In line with the 2014 School Admissions Code (para 1.16), Sixth Form applications from students who attain less than the minimum entry criteria (seven 9-4 GCSE passes), will be considered if there exist proven and exceptional medical and/or social needs where these needs can only be met by this school and requested courses meet the needs of the student. It is essential that applicants submit professional supporting evidence from, for example, a doctor, psychologist, social worker or other qualified professional setting out the particular reasons why St Nicholas is the most suitable school for those difficulties. This must satisfy the school that admission to St. Nicholas would best support the child's needs.

Admission to the Sixth-Form

Applications for Year 12 should be made using the online application form available at [HYPERLINK "http://www.st-nicholas.cheshire.sch.uk"](http://www.st-nicholas.cheshire.sch.uk) www.st-nicholas.cheshire.sch.uk.

The school operates a sixth form for a total of 220 pupils. 110 places overall will be available in year 12. While the admission number is 110 if fewer than 110 of the school's existing pupils transfer into year 12, additional external pupils will be admitted until year 12 meets its capacity.

Both internal and external pupils wishing to enter the sixth form will be expected to have met the same minimum academic entry requirements for the sixth form. These are that pupils will have achieved at least seven 9-4 GCSEs.(see note12)

In addition to the sixth form's minimum academic entry requirements pupils will need to satisfy minimum entrance requirements to the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements, they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements. Course requirements are published annually in the school's prospectus and on its website.

You will be advised of the outcome of your application by 31st January 2020.

schools websites

Supplementary Information Form (SIF)

The following Academies require the completion of a Supplementary Information Form in order that additional information in support of an application, particularly in relation to faith, is provided for consideration by the governing body as the admissions authority for the school.

You can access a copy of the forms on the Cheshire West and Chester website at

www.cheshirewestandchester.gov.uk/admissions.

Alternatively, please contact the school.

Please Note: Supplementary Information Forms must be completed and returned to the relevant school and not the Local Authority. You must still complete the Authority's application form for a school place, stating your preferred schools in priority order, which must be returned to the Authority at the address provided on the form.

Academies that require a SIF form to be completed in addition to an application form are as follows:

- The Bishops' Blue Coat CE High School - when applying for Foundation places only

A panel of Governors will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application. The Governors, if it is considered appropriate, will seek the views of the School Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received. Few applications fall within this category.

College Admissions Years 12 - 13

We are committed to developing as wide a range of courses and opportunities as practically possible, whilst avoiding undue replication of those courses already available locally and to liaising with other providers to encourage young people throughout the local area to take up the opportunities on offer.

The general guideline for the admission of students into the sixth form is that there is an appropriate course of study accessible to the student.

Historically we have been able to allocate about 5 places in year 12 to external applications. We might exceed this number if the preferred course of study are not oversubscribed and the applicant has met the relevant entry requirements.

Applications from all students will be considered in three phases:

1. those received by 31 March
2. those received between 1 April and 30 June
3. those received thereafter.

In the event that there is oversubscription preference will be given to those students with a sibling in Tarporley High School and Sixth Form College (THSSFC) and thereafter on distance from the school (as in viii above) subject to the general guideline above.

7. Any other children.

Within each of the categories listed above, the following provisions will be applied in the following order.

- (i) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above. (see note 9)
- (ii) The children of staff will be given increased priority within each category so that the application will be placed at the top of the category in which the application is made after children in (1) above (see note 10).

Notes (these notes form part of the oversubscription criteria)

1. A Statement of Special Education Needs is a statement made by the local authority under section 324 of the Education Act 1996, specifying the special educational provision for a child. An Education, Health and Care Plan is a plan made by the local authority under section 37 of the Children and Families Act 2014 specifying the special educational provision required for a child.
2. A 'looked after child' has the same meaning as in section 22(1) of the Children Act 1989, and means any child who is (a) in the care of a local authority or (b) being provided with accommodation by them in the exercise of their social services functions (e.g. children with foster parents) at the time of making application to the school.
A 'previously looked after child' is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order, or special guardianship order.
3. 'Catholic' means a member of a Church in full communion with the See of Rome. This includes the Eastern Catholic Churches. This will normally be evidenced by a certificate of baptism in a Catholic Church or a certificate of reception into the full communion of the Catholic Church. For the purposes of this policy, it includes a looked after child who is part of a Catholic family where a letter from a priest demonstrates that the child would have been baptised or received if it were not for their status as a looked after child (e.g. a looked after child in the process of adoption by a Catholic family).
For a child to be treated as Catholic, evidence of baptism or reception into the Church will be required. Those who have difficulty obtaining written evidence of baptism should contact their Parish Priest who, after consulting with the Diocese, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the laws of the Church.
4. For the purposes of this admission policy, attendance at a feeder primary school includes those who were prevented from attending a feeder school due to oversubscription of Catholics and whose application to attend was unsuccessful, normally evidenced by a letter of rejection from the feeder primary school.
5. 'Catechumen' means a member of the catechumenate of a Catholic Church. This will normally be evidenced by a certificate of reception into the order of catechumens.
6. 'Eastern Christian Church' includes Orthodox Churches, and is normally evidenced by a certificate of baptism or reception from the authorities of that Church.

7. "Children of other Christian denominations" means children who belong to other churches and ecclesial communities which, acknowledge God's revelation in Christ, confess the Lord Jesus Christ as God and Saviour according to the Scriptures, and, in obedience to God's will and in the power of the Holy Spirit commit themselves: to seek a deepening of their communion with Christ and with one another in the Church, which is his body; and to fulfil their mission to proclaim the Gospel by common witness and service in the world to the glory of the one God, Father, Son and Holy Spirit. An ecclesial community which on principle has no credal statements in its tradition, is included if it manifests faith in Christ as witnessed to in the Scriptures and is committed to working in the spirit of the above.

All members of Churches Together in England and CYTŪN (Churches Together in Wales) are deemed to be included in the above definition, as are all other churches and ecclesial communities that are in membership of any local Churches Together Group (by whatever title) on the above basis.

8. 'Children of other faiths' means children who are members of a religious community that does not fall within the definition of 'other Christian denominations' at 7 above and which falls within the definition of a religion for the purposes of charity law. The Charities Act 2011 defines religion to include:

A religion which involves belief in more than one God, and

A religion which does not involve belief in a God.

Case law has identified certain characteristics which describe the meaning of religion for the purposes of charity law, which are characterised by a belief in a supreme being and an expression of belief in that supreme being through worship.

9. 'brother or sister' includes:
- (i) all natural brothers or sisters, half brothers or sisters, adopted brothers or sisters, stepbrothers or sisters, foster brothers or sisters, whether or not they are living at the same address; and
 - (ii) the child of a parent's partner where that child for whom the school place is sought lives for at least part of the week in the same family unit at the same address as the applicant.
10. This applies where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made, and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

11. A 'parent' means all natural parents, any person who is not a parent but has parental responsibility for a child, and any person who has care of a child.

Admissions to Post 16 Education at the School

Introduction

For the school year commencing September 2019 The Governing Body has set its Admissions number for external students entering into Year 12 at 50.

The Governing Body expects that all students selecting specifically a Roman Catholic Sixth Form education will wish to be both fully involved in the ethos and spiritual life of the Catholic High School, Chester, and in achieving the aims set out in its Mission Statement.

Entrance Criteria.

All applicants will be considered subject to meeting the academic requirements set out in the Sixth Form Prospectus for acceptance onto a course. The basic requirement is for at least five GCSE passes at Grade 5 or above, or the equivalent in different subjects. English Language and English Literature count as separate subjects, as does the Double Science GCSE. Subjects offering 'multiple' GCSE equivalencies such as BTEC courses do not. Some courses have specific requirements. Students who wish to study Mathematics are usually expected to have at least a Grade 7 at GCSE. Students applying to study French, Spanish, Biology, Chemistry or Physics should have at least a Grade 6 in the relevant subject. In addition students studying A level Physics are expected to study A level Mathematics. Students applying to study Psychology should usually have at least Grade 5 or equivalent in the core subjects of English, Maths and Science. These requirements may be revised from time to time.

Students who are transferring from Year 11 at The Catholic High School are entitled to join Year 12 if they have met the academic criteria set out above. Students applying from other schools will be considered using the same general admissions criteria / principles as set out above.

Appeals for Sixth Form places

As there is limited time between the publishing of GCSE results and the start of the school year, the admissions committee, or in their absence, three alternate governors will meet with the Head of Sixth Form before the start of the school year to consider any applications that do not meet these criteria. They will inform parents of the outcome of their deliberations, and in the event students are not admitted to the Sixth Form by the Committee, parents will be informed of their right to appeal to an independent panel as is the case with main school applications.

The same legal rights apply to parents of students wishing to be admitted to the Sixth Form. Appeals must be lodged with the independent panel within 20 school days of the governors' decision.

The County High School, Leftwich

1. Children in Local Authority Care – as defined in section 22 of the Children Act 1989. Change of status from that of Child in Local Authority Care as a consequence of adoption, child arrangements order or special guardianship order will not impair an application on behalf of that child.
2. Students with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together at the same address, already attending the preferred school (with the exception of Year 11) and expected to continue at the school in the following school year (i.e. at the time of admission). The address used for admission purposes will be that at which the child wakes up on a majority of school days (Monday to Friday).
3. Children resident within the designated catchment zone. The catchment zone is the area determined by the boundary lines designated historically. Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the close date for applications.
4. Children who are not resident within the designated catchment zone but attend a school designated as a partner/feeder school as out-of-zone students. Designated partner schools:

Antrobus St. Marks CE Primary

Witton Church Walk CE Primary

Comberbach Primary

Charles Darwin Primary

Davenham CE Primary

Gt. Budworth CE Primary

Kingsmead Primary

Leftwich Primary

Moulton Primary

All schools will be treated equally.

5. Children for whom there are particular medical or social reasons which, in the Governors' view, justify admission to The County High School, Leftwich. Supporting evidence from a registered professional, such as a medical practitioner, psychologist or social worker, must be provided which sets out the particular reasons why The County High School, Leftwich is the most suitable school and the difficulties that would be caused if the child has to attend another school. A panel of Governors will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application. The Governors, if it is considered appropriate, will seek the views of the Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received.

Few applications fall within this category.

6. All other students based on distance criteria whereby preference will be given to students living nearest the school. Distances are measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG). Proof of address and residency may be required and the Governors retain the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application.

The Winsford Academy

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of students with statements of Special Educational Needs where The Winsford Academy is named on the statement, the criteria will be applied in the order in which they are set out below.

1. Children in public care or who were previously in public care but ceased to be so because they were adopted (or became subject to a residence, or special guardianship order);
2. Children with exceptional medical, social or welfare needs which means the child must, because of those needs, attend the Academy. Appropriate evidence from a doctor or social worker must be provided;
3. Children resident within the designated catchment zone of the Academy.

4. Admission of students whose siblings currently attend the school and who will continue to do so on the date of admission, and
5. Admission of students on the basis of proximity to the Academy. Distances are measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

The tie-breaker within categories would be:

- Differentiation between applications where distance criterion does not identify priority for admission – tie-breaker would be a random allocation;
- All other differentiations – tie-breaker would be a random allocation.

Notes:

Sibling is defined as:

- A full brother or sister, whether or not resident in the same household;
- Another child normally resident for the majority of term time in the same household, for whom an adult in the household has parental responsibility as defined in the Children Act 1989;
- In the case of twins (or two siblings in the same age cohort) and where there is only one place available in the Academy, both will be considered together as one application. The Academy will be authorised to exceed its Published Admission Number by one.

The 'home address' is where the child lives for the majority of the school week with a parent who has parental responsibility as defined in the Children Act 1989 and a parent includes a person who is not a parent but who has responsibility for him/her. This could include a student's guardians but will not usually include relatives such as grandparents, aunts, uncles, etc unless they have all the rights, duties, powers and responsibilities and authority which by law a parent of the child has in relation to the child and his/her property. Where parents have shared responsibility for a child, the place of residency will be determined as the address where the child resides for the majority of the week, (ie where the child wakes up between Monday to Friday). Where the child lives equally with both parents, the address provided for claiming child benefit and, where appropriate, Child Tax Credits, will be applied to the admission application. Distances are measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

University of Chester Academy Northwich

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of students with statements of Special Educational Needs where the Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

1. Children in public care (as defined in Section 22 of the Children Act 1989) at the time of their entry to the Academy or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a residence, or special guardianship order). A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
2. Children who have a valid medical or social reason for a specific placement. Details must be given on the preference form and this may be checked by a relevant officers. A letter in support from a senior health care or social care professional will be required as evidence when the preference form is submitted with a statement on why the Academy is the only educational placement appropriate for the child's needs.
3. Siblings - Children who have a brother or sister (including a half-brothers or sisters or step brothers or step sisters living in the same household) on roll at the time of their entry to the University of Chester Academy Northwich and of statutory school age. ("sibling" is defined as a full or half brother or sister; a step brother or sister; an adoptive brother or sister, the children of parents/carers living together in the same family household).
4. Children resident within the designated catchment zone of the academy. Children will be classed within this category if they and their parents/carers are resident within the area served by the academy on the closing date for applications.
5. Children not resident within a school's local catchment zone but attending a school designated as a partner school for admissions purposes, as out-of-zone pupils.
 Lostock Gramam CE Primary School
 Rudheath Primary School
 Victoria Road Primary
 Wincham Community Primary School
 Witton Church Walk CE Primary School
6. Pupils living nearest to the school measured in a straight line from the centrally plotted Basic Land and Property Unit point (BLPU) of the child's home address to the centrally plotted BLPU point of the school as defined by Local Land and Property Gazetteer (LLPG).

University of Chester Church of England Academy, Ellesmere Port

Where the number of applications for admission is greater than the published admission number, applications will be considered against the criteria set out below. After the admission of students with statements of Special Educational Needs where the Academy is named on the statement, the criteria will be applied in the order in which they are set out below:

1. Children in public care (as defined in Section 22 of the Children Act 1989) at the time of their entry to the Academy or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

2. Children of UK Service Personnel.

Places will be allocated in advance for children of UK service personnel, if accompanied by an official government letter which declares a relocation date and a Unit postal address or quartering area address for considering the application against Local Authority oversubscription criteria.

3. Students who, at the time of application, will have an older sibling on the roll of the Academy who will continue to attend at the time of admission. The term 'sibling' means a full, half, step or adopted brother or sister, but not cousin, who will be living together as part of one household at the date of their entry to the Academy. The Academy may require proof of relationship and/or residency.
4. The remaining places will be allocated by Random Allocation as specified below:
 - (a) 80% will be offered to students resident within the catchment area.
 - (b) 20% will be offered to students resident outside the catchment area.

Post 16 admission criteria

The Academy Trust will publish specific criteria in relation to minimum academic entrance requirements for admission or transfer to the post-16 provision. Both internal and external students wishing to enter the Sixth Form will be expected to have met the minimum academic entry requirements for the Sixth Form.

In addition to the Sixth Form's minimum academic entry requirements, students will need to satisfy minimum entrance requirements for the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements.

These academic entry requirements will be the subject of consultation with those listed in paragraph 14 and published in the academy's prospectus and in the LA composite admissions prospectus.

When the Sixth Form is undersubscribed all applicants meeting the minimum academic entry requirements will be admitted.

When there are more external applicants that satisfy any academic entry requirements than the number of post-16 places available and after, the criteria will be applied in the order in which they are set out below:

- a) Children in public care (as defined in Section 22 of the Children Act 1989) at the time of their entry to the Academy or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements, or special guardianship order). A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).

- b) Children of UK Service Personnel

Places will be allocated in advance for children of UK service personnel, if accompanied by an official government letter which declares a relocation date and a Unit postal address or quartering area address for considering the application against Local Authority oversubscription criteria.

- c) Students who, at the time of application, will have an older or younger sibling on the roll of the Academy who will continue to attend at the time of admission. The term 'sibling' means a full, half, step or adopted brother or sister, but not cousin, who will be living together as part of one household at the date of their entry to the Academy. The Academy may require proof of relationship and/or residency.
- d) Remaining places would be allocated by Random Allocation. There will be a right of appeal to an Independent Appeals Panel for internal students refused transfer and external applicants refused admission.
