Introduction

Local authorities do not have to provide free or subsidised post 16 travel support but do have a duty to prepare and publish an annual transport policy statement specifying the arrangements for the provision of transport or other support that the authority considers it necessary to make to facilitate the attendance of all persons of sixth form age receiving education or training.

All young people carrying on their education post 16 must reapply for travel support.

'Sixth form age' refers to those young people who are over 16 years of age but under 19 or continuing learners who started their programme of learning before their 19th birthday (years 12,13,14).

Local authorities also have a duty to encourage, enable and assist young people with learning difficulties / disabilities to participate in education and training, up to the age of 25.

This statement uses the term 'Post 16' to include both learners of sixth form age and those with learning difficulties / disabilities up to the age of 25.

This statement document specifies the support that Cheshire West and Chester Council (the council) considers necessary to facilitate the attendance of Post 16 learners receiving education or training.

Education or training refers to learning or training at a school, further education institution, a council maintained or assisted institution providing higher or further education, an establishment funded directly by the Education Skills Funding Agency, learning providers delivering accredited programmes of learning which lead to positive outcomes and are funded by the council, for example, colleges, charities and private learning providers.

Aims and Objectives

The council has the following aims and objectives when assessing transport / travel support:

- To ensure that Cheshire West and Chester students and their parents are informed of the various travel assistance options available. This statement document includes travel assistance arrangements made by Cheshire West and Chester Council, as well as information about those arrangements made by individual educational establishments, where known, and by various commercial transport operators. The information within this statement reflects the position at the time it was published. Parents/students should consult the council website or other relevant websites for the most up-to-date information.
- The council makes no general travel assistance provision for those who attend private schools or colleges. Generally the council will not meet the cost of a

student's travel to schools or colleges other than those which are intended to serve the particular area in which they live. If a parent/carer sends a child to another school or college, they cannot claim from the council the subsidy the school transport service would otherwise have been prepared to spend on transporting the student locally.

The objective of the policy statement is to provide support to those young people (including learners with learning difficulties and disabilities) who need it most, in order to remove transport as a barrier to their continuation into further education

References to statements of special educational needs and learning disability assessments have been removed from this statement in the expectation that all pupils, students and 'relevant young learners' will now have had these replaced by an Education, Health and Care Plan (EHCP).

The 16-19 Bursary Fund

The 16 to 19 Bursary Fund provides financial support to help young people overcome specific barriers to participation so they can remain in education.

There are 2 types of 16 to 19 bursaries:

1. A vulnerable bursary of up to £1,200 a year for young people in one of the defined vulnerable groups below:
 - in care
 - care leavers
 - in receipt of Income Support, or Universal Credit in place of Income Support, in their own right
 - in receipt of Employment and Support Allowance or Universal Credit and Disability Living or Personal Independence Payments in their own right
 - discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment
2. Discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment

To be eligible for the discretionary bursary young people must:

- be aged 16 or over but under 19 at 31 August 2021 or
- be aged 19 or over at 31 August 2021 and have an Education, Health and Care Plan (EHCP)
- be aged 19 or over at 31 August 2021 and continuing on a study programme they began aged 16 to 18 ('19+ continuers')
- be studying a programme that is subject to inspection by a public body which assures quality (such as Ofsted), the provision must also be funded by either a Government funding agency or the local authority

Schools and colleges are responsible for managing both types of bursary. Young people who want to apply for support from the bursary fund should contact their chosen school or college to make an application.

Further information can be found at [www.gov.uk/ where you can](http://www.gov.uk/where-you-can) search for post 16 bursaries.

Young parents / Care to Learn

If you are a young parent under 20, Care to Learn can help pay for your childcare and related travel costs, up to £160 per child per week, while you're learning.

Care to Learn can help with the cost of:

- childcare, including deposit and registration fees
- a childcare 'taster' session (up to 5 days)
- keeping your childcare place over the summer holidays
- taking your child to the childcare provider

Types of child care

The childcare provider must be Ofsted registered and can be a:

- childminder
- pre-school playgroup
- day nursery
- out of school club

If your child needs specialist childcare, the provider must also be on the Care Quality Commission's register for specialist provision.

If you want a relative to get Care to Learn for looking after your child they need to be both:

- providing registered childcare for children they're not related to
- living apart from you and your child

Payments

Childcare payments go directly to your childcare provider. Before your childcare provider can be paid:

- your childcare provider needs to confirm your child's attendance
- your school or college needs to confirm that you're attending your course

Payments for travel costs go to your school or college - they'll either pay you or arrange travel for you.

Attendance

Payments will stop if:

- you stop attending your course
- you finish your course
- your child stops attending childcare

Eligibility

You can get Care to Learn if:

- you're a parent under 20 at the start of your course

- you're the main carer for your child
- you live in England
- you're either a British citizen or a national of a European Economic Area (EEA) country
- your course is publicly funded (check with your school or college)
- your childcare provider is registered with Ofsted or the Care Quality Commission

Type of course

Care to Learn is only available for courses in England that have some public funding. This includes courses that take place in:

- schools
- school sixth forms
- sixth form colleges
- other colleges and learning providers, including Foundation Learning
- your community at Children's Centres

Young parents are also entitled to apply for an Under 19 Bus Only Ticket or for those aged 19 and over can apply for the 19 – 25 card.

For more information please visit <https://www.gov.uk/care-to-learn/how-to-claim>

LA support

LA support for young people without special educational needs or disabilities

The Council no longer provides travel assistance for mainstream post 16 students. It has however chosen to exercise its discretionary powers when considering individual cases of low income/hardship. Where low income/hardship can be demonstrated, the Council will consider providing assistance in order to remove transport as a barrier to an individual's continuation into further education.

Mainstream travel assistance eligibility will be assessed by the Transport Commissioning Service (TCS). Eligibility will be based upon the student attending their nearest qualifying educational establishment, which is over the statutory walking distance **and** meeting the discretionary post 16 low income/hardship criteria. See the council's [Home to Educational Establishment Transport Policy](#) for further information regarding eligibility

Applications for post 16 hardship travel assistance can be found on the [council's website](#) or can be obtained by calling the Transport Commissioning Service on 0300 123 7039.

LA support for Learners with special educational needs and/or a disability

In most cases, for young people with an Education, Health and Care Plan (EHCP), travel assistance considerations will form part of the initial assessment, annual review or transition planning process. An application form for travel assistance can be completed and submitted [online](#) or call 0300 123 7039 to request a hard copy.

Students with a disability who live further than the statutory walking distance to the nearest qualifying educational establishment, and the student has disability difficulties that prevent them from accessing a standard school bus, parents/carers should complete the [online](#) transport application form or call 0300 123 7039 to request a hard copy and provide details of the accessibility issues.

The eligibility of these applications will be assessed on an individual basis by the Special Education Needs (SEN) team. See the council's [Home to Educational Establishment Transport Policy](#) for further information regarding eligibility.

Students aged 16-19 with special educational needs and/or a disability an EHCP and attending a school, college or other training provider where there is no other suitable transport arrangement already in place

The council has a statutory duty to provide travel assistance to these 16-19 year olds (who have started a course **before** their 19th birthday) but it is at the council's discretion whether a charge is made for this assistance.

The council has chosen to provide free assistance to 16-19 year olds who:

- have complex special needs or a disability which prevent them from walking, accompanied by an adult, to the nearest qualifying educational establishment that is under three miles away from their home address, or
- have complex special needs or a disability and are attending their nearest qualifying educational establishment which is over three miles walking distance from their home address.

Post 16 special educational needs students transferring into year twelve and thirteen requiring travel assistance from the council will be required to complete a transport application form. Parents are advised to make applications **at the earliest opportunity**.

You can apply on-line via the [council's website](#). Alternatively, you can request an application form by contacting a member of the SEN team on 0151 3576505 or email senteamwest@cheshirewestandchester.gov.uk

The travel assistance requirements of post 16 students with special educational needs (SEN) will be considered during the transitional planning process undertaken during years ten and eleven. The council would expect to be consulted in the transitional planning process with regard to travel provision and parents/carers are strongly advised to contact the council's SEN team to confirm that this has taken place.

Students aged 19-25 with learning difficulties and/or disabilities or special educational needs attending a specialist college or other training provider

The council will provide free assistance, where it is considered necessary, to the following 19-25 year-olds (who have started a course **after** their 19th birthday):

- adults (i.e. those who are aged 19 and over) who are receiving education at an institution maintained or assisted by the authority and providing further or higher education **or** within the further education sector

- relevant young adult learners with an EHCP (which can be maintained up until the age of 25) for the purpose of facilitating their attendance at institutions where they are receiving education or training outside the further and higher education sectors. For those young adults, the council's duty only applies where the council has secured the provision of education or training at that institution and the provision of boarding accommodation in connection with that education or training.

The adult duty applies only to young people who are attending a course which they started after their 19th birthday, including those with an EHCP. The overall intention of the adult transport duty is to ensure that:

- Those with the most severe disabilities with no other means of transportation are able to undertake further education and training after their 19th birthday to help them move towards more independent living.

Students with special educational needs or a disability who are not otherwise entitled to travel assistance

Post 16 students with an EHCP who are not otherwise entitled to travel assistance may be entitled to purchase a spare seat (if one is available, after all seats have been allocated to eligible students) on a vehicle that the council has contracted to provide transport from home to the educational provider. The average cost to the council for transporting a SEND student is approximately £5,000 per year. A contributory spare seat charge of £880 per annum will be issued and, if the student can demonstrate hardship, this charge will be reduced to £440.

Post 16 hardship/low income

The council has adopted its own criteria for determining post 16 hardship/low income cases applying for travel assistance. You can apply online via the [council's website](#)

Assessment criteria for discretionary award due to hardship

A welfare check will be offered to all applicants who are suffering hardship due to hardship/low income. This will help to identify any unmet needs, and to provide early support and financial assistance.

A full assessment will be completed to include details of income and expenditure. This will help to identify whether the applicant has sufficient means to pay. All income will be taken into account in making this assessment including income which would normally be disregarded for benefit calculation purposes. Due regard will be made to all reasonable expenses including any related to disability. This means that those with the highest needs who consequently have increased expenditure will have this considered fully under this test rather than being capped at the level of their disability living allowance (if this was to be disregarded without full consideration of need and expenditure).

Parents, carers and students may appeal against a decision of the local authority in relation to travel assistance. Appeals should be registered through the transport commissioning service in line with the published eligibility and suitability appeals processes.

In addition, students may be eligible to receive the 16 to 19 bursary fund, as mentioned earlier in this statement.

Refunds

The council will use its best endeavours to process applications for travel assistance and make assessment of eligibility for support within 14 days of receipt of the application. However applicants should be advised that these timescales may be exceeded during peak times.

There will be no entitlement to assistance until eligibility has been established. However, if a young person is found to be eligible and the decision has not been made within 14 days of receipt of the application, then assistance will be backdated to the fourteenth day after the application was received and any reasonable travel costs incurred in the intervening period will be reimbursed upon receipt of evidence of expenditure.

Apprenticeships

There is an expectation that employers and learning providers will take into account the young persons likely transport arrangements. However, where it considers it necessary to do so, the council will make arrangements to support learners undertaking apprenticeships and traineeships. These will be considered on a case by case basis. Employers and learning providers will want to take account of young people's likely transport arrangements when planning off-the-job training, particularly outside normal working hours.

Those not in education, employment or training (NEET)

The council will consider the needs of those who are vulnerable to becoming not in education, employment or training (NEET) at the age of 16 or 17, or who have already become NEET. Where these young people are offered a suitable course of education or training, the council will provide support where it considers it necessary to do so in order to remove transport as a barrier.

LA support in other circumstances

The council does not usually fund travel assistance above the travelling distance stated in the home to educational establishment transport policy, however, where a student with disabilities and/or special educational needs is placed at an establishment providing further education which is beyond reasonable daily travelling distance, the council will consider making arrangements for travel assistance.

Additional eligibility criteria

Eligibility for assistance under the council's scheme is dependent on the student's age at the start of the academic year. It is normal to continue to provide assistance to students who turn 19 during the course, subject to the period of post-16 assistance not exceeding

three years. Assistance is normally granted for a full academic year, and so is not withdrawn part way through a year when the student becomes 19 years of age.

The council no longer provides travel assistance to mainstream post 16 students. It will however continue to exercise its discretionary powers when considering individual cases of low income/hardship. Where low income/hardship can be demonstrated, the council will consider offering support in order to remove transport as a barrier to an individual's continuation into further education.

Applying for transport support

If you feel you may be eligible to receive travel assistance from the council you should submit a transport application form as soon as you are made aware of the school / college / training provider who will be offering the course.

Travel assistance applications specifically related to post 16 special educational needs students should be submitted at the earliest possible opportunity. As soon as a decision is made, the council will confirm this in writing to you.

Students may wish to make enquiries of their school / college / training provider about what alternative or additional assistance is available once the outcome of their application to the council is known.

Applications can be made online via the [council's website](#), alternatively you can contact the teams listed below:

- For details of transport services and travel assistance for **mainstream** students, contact the transport team on 0300 123 7039. Alternatively contact them via email on spedtransportrequestwest@cheshirewestandchester.gov.uk
- For details about post 16 **special educational needs** travel assistance please email senteamwest@cheshirewestandchester.gov.uk

For details of the colleges' own services and of any financial assistance that the colleges might offer, please contact the student services officer at the college concerned.

Full details of the local authority's school and college transport policy are available on the [council's website](#).

Appendix 2 to this statement gives information about local post 16 school and college provision and contact points and a list of operators and how to contact them. Contract services are subject to periodic re-tendering, so these details are liable to change when individual contracts are re-let. They may also be adjusted to meet changes in demand.

APPENDIX 1

Appeals

The appendices to the council's home to educational establishment travel policy set out the procedures by which eligibility and suitability will be assessed and how individuals can appeal against these decisions. Further details regarding the appeals process can be found on the [council's website](#).

The following chart summarises the process for both types of appeals:

Officer A declines the home to school travel application or offers travel arrangements the parent considers 'unsuitable'

Parent challenges officer A's decision regarding eligibility on basis of:

- Policy wrongly applied
- Distance measurement
- Route safety
- Consideration of exceptional circumstances

You can complete and submit your appeal online via the [council's website](#)

Parent challenges suitability of officer A's decision on basis of:

- Method of travel unsuitable
- Journey length unsuitable
- Transport provider unsuitable

You can complete and submit your appeal online via the [council's website](#)

Stage 1: Review by a senior officer

Officer B (a senior officer) reviews officer A's decision and sends the parent a written notification of the outcome including:

- Detailed reasoning for decision made
- Notification of option to escalate to stage 2 (an appeal panel)

Parent challenges

Parent challenges officer B's (the senior officer) decision

Stage 2: Review by an appeal panel

Independent appeal panel (officer A or B must not sit on panel) hears written/verbal representation from parent. The appeal panel is independent of the process to date and suitably qualified

Independent appeal panel sends decision letter to parent, including how to escalate the case to Local Government Ombudsman (LGO)

APPENDIX 2

Transport and travel support

Concessionary tickets for young people 16 – 25 from public transport providers

Many commercial operators provide services which are competitively priced and are often more flexible than the council's services. Parents are consequently advised to always check all travel options before applying for support from the council, as there may be cheaper alternatives available.

Some colleges also operate or contract their own services, which may help those who do not qualify under the council's scheme (see section three above for eligibility). Details of college provision are given in appendix one.

For details of schemes of assistance offered by colleges to help with the cost of transport, please contact the student services officer at the college concerned (see Appendix one).

English National Concessionary Disabled Travel Pass

Issued free of charge to residents of Cheshire West and Chester Council who are eligible disabled. The bus pass entitles the holder to free travel on bus services within England, Monday to Friday between 9.30am until 11pm and at all times on a Saturday and Sunday and bank holidays. Residents with visually impaired cards are entitled to free travel before 9.30am when boarding within the Cheshire Consortium (Cheshire West and Chester, Halton and Warrington).

Additionally, Cheshire pass holders can travel on bus services going into Wales providing the journey starts or ends in Cheshire West and Chester.

A £10 charge is applied for lost, damaged or defaced passes.

You can find the eligibility criteria or make an application online on the Cheshire West and Chester website.

For further information email concessionarytravel@cheshirewestandchester.gov.uk

Telephone 0300 123 7025

Cheshire Yellow Stored Value Travelcard

Using a Travelcard means quicker and easier boarding times, no need to have the correct change and discounts on some tickets (discounts vary between operators). You can top up your Yellow Stored Value Travelcard in multiples of £5 to £50 on the bus and then use it to pay for your bus journeys. Every time you pay for a journey using your Travelcard, you will receive a ticket which shows the fare paid and your remaining balance. Most bus companies offer discounted single and return tickets when paying with the Yellow Cheshire Stored Value Travelcard.

How to apply for a Travelcard

Telephone: contact the Travelcard helpline on 01244 973353, Monday to Thursday 9am to 5pm, and Fridays 9am to 4.30pm

Email: request a Travelcard by emailing Travelcard@cheshirewestandchester.gov.uk with the following details: your name, telephone number, address, date of birth

Please allow up to 21 days for your application/request to be processed. More information can be found on the Cheshire West and Chester Council website

Arriva

This company offers a child's weekly ticket valid on its services in Cheshire. They also offer a variety of other tickets and more information can be found on the Arriva website.

Stagecoach

Ticket offers are also available from Stagecoach and further information can be obtained on their website.

Rail Services

Disabled railcard discount codes

Qualifying disabled residents of Cheshire West and Chester can get a 20% discount on the price of a railcard making it £16 instead of £20, if they have a discount code. Please see the disabled person railcard website to see eligibility criteria required.

How to apply for a disabled railcard discount code?

If you qualify and already have a Cheshire concessionary bus pass you can apply online through the Cheshire West and Chester website. If you do not have a Cheshire concessionary bus pass you can apply by visiting one of our offices with proof of address and proof of identity.

Please note: proof of disability does not need to be provided to obtain a code, however this will need to be provided to National Rail at point of application. You can see acceptable forms of evidence on the disabled persons railcard website.

What happens next?

Once you have received your code, you can purchase your railcard directly from National Rail on the disabled persons railcard website.

Student railcard

The student railcard offers considerable discounts over standard fares, but other cheaper fares are also available. For the best offers students should check with operators what choices are available for their journey at the time they want to travel.

Information on student railcards can be obtained from National Rail on the 16-25 railcard website:

Additional information on rail fares and services can be obtained by contacting National Rail

Email: railcardhelp@railcards-online.co.uk

Telephone: 0345 3000 250

Write to: National Railcards, PO Box 6616, Arbroath, DD11 9AR

Travel support from schools and colleges

Mainstream schools and colleges providing post 16 education have supplied the following information about the travel assistance that they intend to provide during the 2021-2022 academic year

Cheshire West and Chester schools:

Bishop Heber High School

Bishop Heber High School does not offer any specific additional support to post 16 students for transport. If students are eligible they can apply for the 16 to 19 bursary (through the school) to help with these costs but this bursary is based on family income and free school meal entitlement, so is not available to all. Most post 16 students rely on parents, the spare seat scheme or drive themselves to school as public transport in this area is very limited. The school budget does not allow transport to be funded. For further information telephone: 01948 860571 or visit the school website.

Christleton High School

Christleton Sixth Form students who meet the criteria of eligibility for discretionary bursary support will receive a regular sum of money towards transport and other educational costs. For further information telephone: 01244 335843, email: enquiries@christletonhigh.co.uk or visit the school website.

Ellesmere Port Catholic High

Ellesmere Port Catholic High School post 16 students who meet the criteria receive a bursary which is paid on a regular basis and can be used towards transport costs. There is no specific additional support for transport for other students. Most post 16 students live locally and use public transport or lifts from parents. For more information about the bursary please contact the school on 0151 355 2373 or visit the school website.

Helsby High School

Helsby High School does not currently provide specific transport for post 16 students. However, students are able to access the transport used by younger students, either by paying a daily fare where available or purchasing a spare seat. Students are also able to use a public bus as the school lies on the main route between Chester and Runcorn with a service running every half hour.

Telephone: 01928 723551 or visit the school website.

Neston High School

Neston High School does not have any special arrangements for post 16 transport. Post 16 students from low income households have the opportunity to apply for a bursary grant to support the cost of transport/resources etc.

For further information on the bursary fund (eligibility criteria, prioritisation of allocations and an application form) telephone: 0151 336 3902 or visit the school website.

Queen's Park High School

Queen's Park High School students who meet the criteria of eligibility for discretionary bursary support will receive a regular sum of money towards transport and other

educational costs. For further information telephone: 01244 257088, email: accounts@qphs.co.uk or visit the school website

St Nicholas Catholic High School

St Nicholas Catholic High School does not provide direct travel assistance to post 16 students. All students can apply for Student Financial Support funding and if eligible they will be provided with funds directly to their bank account. Students can then use this money to pay towards their travel if they so wish.

Tarporley High School and Sixth Form College

For information concerning post 16 transport please contact the school on telephone: 01829 732558 or email contact@tarporleyhigh.co.uk

The Bishops' Blue Coat CE High School

Transport provision for post 16 students is the same as for all the school's other students, i.e. they can use the same buses that come to school on commercial contracts and where places are available, can use the transport services put on by the school for areas not serviced by commercial contracts. The prices are the same for all students. Post 16 students meeting funding criteria can have access to the bursary fund provided to school by the Education Funding Agency (EFA).
For further information telephone: 01244 313806 or visit the school website.

The Catholic High School, Chester

Eligible students to The Catholic High School, Chester would have to prove to be of Catholic faith and would then receive free transport by means of a bus pass if it is their nearest catholic school. Post 16 pupils could receive free transport to our school if it is the closest school that provides the course they wish to study. Eligible students apply using the application form on the Flintshire County Council website.

The Whitby High School

The Whitby High School does not provide post 16 transport for students.
For further information telephone: 0151 355 8445 or visit the school website.

The Ellesmere Port C of E College (previously UCEA)

Students can apply for bursary funding which is means tested and, if awarded, can be used towards transport costs. This is paid directly to the student five times throughout the year. Any student who is a looked after child (LAC) or requires additional funding for transport, is dealt with on an individual, confidential basis and the finance team decide if a contribution will be made towards further transport costs.
For more information email the school admin@epcollege.org or visit the school website.

Upton-by-Chester High School

Upton-by-Chester High School is served by several public buses: the 51, S51 and 53 by Stagecoach; Guilden Sutton and Mickle Trafford by Arrowbrook; and Wervin and Mollington by Cheshire Travel Services. All transport is paid for by the students themselves. However, if 6th Form students apply for, and are entitled to receive, either a Discretionary or Compulsory Bursary Award, they might use it to help fund their travel to and from school, but they do not necessarily have to use it for that purpose and, of course, may not incur any travelling costs if they live locally.
For further information telephone: 01244 259884.

Colleges:

Warrington and Vale Royal College (Winsford Campus)

For the academic year 2021-2022, all 16-18 learners who will be studying at the main Winsford campus and who live over one mile away from the Winsford campus will receive a free '24/7' Arriva bus pass. This will enable them to get to college using their local bus service during term time only and will not operate at weekends and during college holiday times.

There will also be a free shuttle bus (information listed below) for learners who are studying at Warrington Campus, but who live in Winsford, Hartford and Northwich:

- Winsford Verdin Exchange- 7.30am
- Hartford campus- 7.50am
- Northwich bus station stand- 8am
- Warrington campus- 9am

For further information please visit the college website, email welfare@wvr.ac.uk or telephone 01925 494501.

Sir John Deane's Sixth Form College

Sir John Deane's Sixth Form College operates its own bus services from the following areas: Warrington, Halton, Congleton, South Manchester, Bunbury and Tarporley, Sandbach and Crewe, Helsby and Frodsham, Macclesfield and Knutsford. Students travelling from other areas should contact the college for public transport information. Students from families with low income can apply for financial support to assist with transport costs from the 16 to 19 bursary fund. Awards are dependent on individual financial circumstances and the assessment criteria are published annually. For further details telephone 01606 810020 or visit the college website.

Cheshire College, South & West (Ellesmere Port, Chester and Crewe campuses)

Transport to and from Cheshire College, South & West is FREE*.

As part of their sustainable transport plan, the college offers a free* transport system for all full-time students aged 16-18 living over one mile from the campus where their course is delivered.

There are different options available depending on your home location:

- College Coach Service**
- Public Transport
- County Council Transport

The plan aims to reduce traffic volume by encouraging cycling, walking, and providing opportunities for access to public and contracted vehicles. The college encourages learners and staff who live within three miles of their campus to maximise their environmental friendliness by cycling to College. Secure cycle storage areas are provided and changing facilities in the sports department are available to enable cyclists to change before going to lectures.

For further enquiries, contact your local college campus transport office or visit the transport page online:

Ellesmere Port Campus

Address: Off Sutton Way, Ellesmere Port, CH65 7BF Tel: 01244 656100

Chester Campus

Address: Eaton Road, Handbridge, Chester, CH4 7ER Tel: 01244 656100

Crewe Campus

Address: Dane Bank Avenue, Crewe, CW2 8AB Tel: 01270 654654

<https://www.ccsw.ac.uk/learner-toolkit/transport/>

*Please see the transport booklet on the college website for terms and conditions.

** Please note for students under 19 where a college coach service exists, this is the only service that the college will subsidise.

Macclesfield College

Macclesfield College offers subsidised bus passes to students travelling from Congleton, Knutsford, Holmes Chapel, Northwich (subject to numbers) , Wilmslow, Handforth, Stockport, Bramhall, Cheadle, Hazel Grove, Poynton, Disley, Marple, Whaley Bridge, Buxton, Chinley, Rainow and Bollington. The pass is free to students from households where the income is below £25,000 but for all other students the cost is subsidised at £300 for the academic year.

Enquiries should be directed to student services at the college. Visit the website, telephone 01625 410018 or email info@macclesfield.ac.uk

Reaseheath College

Reaseheath will be subsidising transport fees by £1.5 million to help ensure that the cost of travel remains as small as possible and that we continue to offer a cost effective, safe and comfortable method of travel to and from campus.

We also offer means tested bursaries which may further reduce the cost of travel. More information on this can be found on the finance pages of the college website.

For further details contact the Student Services Transport Co-ordinator on 01270 613209, email transport@reaseheath.ac.uk or visit the college website.

Other colleges**Coleg Cambria**

Coleg Cambria provides buses for full time students travelling to and from college. For most students this is provided for free.

For further details of routes students should telephone student services on 0300 3030 007 or email studentservices@cambria.ac.uk

Priestley College, Warrington

Priestley College offers bursary support from either the National Bursary Scheme or the Priestley Education and Training Trust (PETT) Bursary Fund.

Bursaries are intended to remove specific barriers to participation in education, which may include financial or transport issues.

Students can apply for a core bursary or a mainstream bursary to help with travel costs. If eligible, travel bursaries will be provided for those who need to use public transport to travel to college. These are worth up to £300.

Warrington's Own Buses run a number of services that run directly to college including routes from Irlam and Cadishead, Frodsham, Runcorn, Culcheth and Birchwood, Widnes, Penketh and Great Sankey, Golborne, Lowton, Newton Le Willows, Burtonwood, Altrincham, Lymm, and Northwich.

The P1, P2, P5 and P6, run by Warrington's Own Buses, are heavily subsidised by Priestley to make travelling to college affordable for all students (currently £1 per journey). Students are also able to purchase a discounted touch and go annual pass that can be used on these services, as well as any other service operated by Warrington's Own Buses.

Additional services operated by Warrington's Own Buses that also run directly to Priestley College include the 5, 5A, 9, 9A, 18, 19, 25, and some 62 services.

Students requiring further information on the eligibility criteria for bursaries, or a confidential discussion, can call Priestley's admissions team on 01925 633591, email admissions@priestley.ac.uk or visit www.priestley.ac.uk

Riverside College (Widnes and Runcorn) and Cronton Sixth Form College

A number of dedicated bus routes serve both Cronton Sixth Form and Riverside College for the start and end of the day.

Most of these services are operated by Warrington's Own buses. Students who are on a full time course who live more than 1.5 miles away from college are given a FREE bus pass to use.

In partnership with Warrington's Own buses, the College provides a number of college bus routes operating twice a day (at the beginning and the end of the college day) throughout the student catchment area. Students can also use their free bus pass on all other service buses provided by Warrington's Own buses as well as selected services run by Ashcrofts Travel and Anthony's Travel.

Warrington's Own buses: there are 13 dedicated college bus routes from Runcorn, Widnes, Knowsley, Huyton, Frodsham, Liverpool, St Helens and Warrington. Students may use their free bus pass on any of these services. Students can also use other Warrington's Own service buses during the college week.

Arriva buses: Arriva are a national bus company that operate routes all over the north west of England. Arriva are offering a 'Scholars' bus pass which can be purchased online for approximately £230 annually. This works out at just over £5 per week.

My Ticket daily bus pass: students can purchase a daily pass called a 'My Ticket' for £2.20 (this is not related to the college buses) and use any bus with any provider all day across Halton, Merseyside and St Helens. This ticket needs to be purchased on the day on the bus.

Students requiring further information or timetables for specific areas should visit
