Cheshire West and Chester

Season ticket parking permits

1. Introduction

1.1 A Season ticket parking permit issued by Cheshire West and Chester Council will allow the use of one parking space.

1.2 The cost of the permit for each car park is detailed in the attached application form.

2. Terms and conditions

2.1 A vehicle whose registration number is shown on the permit may use the car park as agreed. The vehicle must be parked in accordance with the relevant and current Parking Orders of the car park.

2.2 The permit must be clearly displayed on the windscreen when using the car park.

2.3 One permit can detail up to two registrations and can be transferred from one vehicle to another.

2.4 The Council reserves the right to withdraw the permit if payment is not received.

2.5 The vehicle is left at the owner's risk. The Council accepts no liability for any loss, injury, damage to persons, vehicles, accessories or contents, unless caused by the negligence, wilful default or breach of the duty of the Council or it's servants of agents.

2.6 Refunds for valid permits no longer required will be based on any FULL remaining months left on the contract. Where the contract is terminated at the beginning or during any month, that month will not be included in the refund. Receipt of the permit at the Parking Services Department is required before the amount of and refund is authorised.

2.7 All changes of vehicle details must be notified in person or in writing and the permit returned before a new permit will be issued.

2.8 Lost permits will be replaced with an administration charge of £10.
