

Local Engineering Schemes Programme 2014/15

Site no	Scheme	Locality area	Est cost	Scheme notes	Scheme no
1	A5116 Liverpool Road (A5116) at junction with Countess Way (A5480)	Chester	£5,000	Signing and lining improvement and possible kerb realignment to overcome rear end shunt type collisions.	8210333
2	Cliveden Rd junction with Kensington Rd and Lache Park Avenue.	Chester	£5,000	Signing and lining improvement. Collisions involving vehicles coming from both side roads (Kensington Road and Lache Park Avenue).	8210334
3	Hoole Area, Chester	Chester	£5,000	Contribution to Hoole 20 mph scheme. Local Members have requested through Hoole Test Bed. Funds aimed at identified collision areas.	8210335
4	A5117 Arterial Road junction with M56	Rural Communities	£25,000	Resurfacing/signing/lining to reduce rear end shunts and loss of control collisions.	8210336
5	A54 Middlewich Road at junction with Abbey Lane	Rural Communities	£15,000	Improved signing and lining to make the junction more aware to drivers travelling both on the A54 and the side roads.	8210337
6	A49 Tarporley Road outside the Hollies Farm Shop	Rural Communities	£15,000	A route scheme to overcome collisions centred around movements both in and out of the Hollies Farm Shop. Improved signing and lining / 50mph speed limit.	8210338
7	C608 Norley Rd junction with Chesse Hill Lane, Norley	Rural Communities	£5,000	Signing and lining improvement. Collisions involving vehicles coming from both side roads (Cheese Hill Lane and Cow Lane).	8210339
8	Leftwich Area, Northwich	Northwich and Winsford	£20,000	An area-wide 20 mph zone to overcome pedestrian and pedal cycle collisions.	8210340
9	A533 Croxton Lane/King Street, Middlewich	Northwich and Winsford	£15,000	Improved signing and lining to make the junction more aware to drivers travelling both on the A533.	8210341
Total			£110,000		

2014/15 Local engineering budget

£160,000
