Summary and Guide to Part 9...

Part 9 provides more detailed designs (to RIBA Stage D) for St John Street and Frodsham Street, along with photomontage images of the proposals. In addition Part 9 presents detailed designs (to RIBA Stage D) for St Werburgh Street prepared by other consultants.

Section 9.1 - Introduction

Introduces the detailed designs for the St John Street and Frodsham Street.

Section 9.2 - Sketch Scheme Proposals

Contains sketch scheme proposals for St John Street and Frodsham Street. These are illustrated as reduced versions of A1 AutoCAD drawings within this document. The full-sized A1 versions are available in electronic format. Section 9.2 also contains the detailed design proposal for St Werburgh Street (prepared by other consultants).

Section 9.3 - Photomontages

Section 9.3 shows photomontage images of the sketch scheme proposals for the two streets alongside existing photographs of the streets. The two design options for Frodsham Street are shown.
