TRAVELLING, SUBSISTENCE AND OTHER ALLOWANCES/REIMBURSEMENTS

1. Dependants' Carers' Allowance

A Member who has to pay for a carer to look after dependants to enable them to attend approved duties may claim Dependants' Carer's Allowance (DCA). The hourly rates are set as follows:

- Babysitting/childminding duties – Cheshire West and Chester Local Living Wage
- Other dependants - the current Council rate for Adult Social Care

The maximum total amount payable to an individual member each year is set at £5,780 and is subject to production of receipts as per the existing scheme.

The Allowance will not be paid in respect of other family members who cover the Member's caring duties.

In appropriate circumstances, the Director of Corporate Services may authorise additional payments as seems reasonable to members who incur additional expenditure due to specialist care being required for dependants.

This element of the allowances scheme is seen as an important factor in enabling Members to fulfill their duties as well as being able to care for dependents (children and adults in their care).
